Financial Services Guide

Introduction

The issuers of this Guide

This Financial Services Guide ("FSG") is issued by:

- Ord Minnett Limited ("Ord Minnett")

In this FSG we refer to this company as "the Company", "we", "us" and "our".

The Company is a member of the Ord Minnett Group of companies, and holds an Australian Financial Services License.

Ord Minnett is a Market Participant of ASX Limited (ASX) operator of the Australian Securities Exchange market and a Broker Participant in the CHESS system operated by ASX Settlement Pty Limited (a group company of ASX). Ord Minnett is also a participant of Cboe Australia Pty Ltd (Cboe) and is authorised to trade in the Cboe market.

The Company can be contacted via the addresses listed at the back of this Guide.

Non-Aligned but not independent

In September 2019, a consortium of Ord Minnett staff and private investors bought out our two former shareholders IOOF Holdings Limited and JPMorgan, thereby securing 100% ownership.

As a consequence, Ord Minnett is now the largest non-aligned financial services provider in Australia. We are not owned or partly owned by any other financial services business and do not have any obligation to sell or advise on any specific brand of financial product.

This means that our advisers are always in a position to recommend the products they feel will be in the best interests of their clients.

However, Ord Minnett and its representatives are not independent, impartial or unbiased (which are restricted words or expressions under the Corporations Act) in relation to the provision of personal advice to retail clients because its representatives may receive monetary benefits in connection with that advice.

It is important to understand that disclosing our lack of independence and detailing our remuneration structure does not reduce our obligation to act in your best interests. If you are a retail client and we give personal advice, we have a duty to act in your best interests when providing personal advice and are obliged to provide you with appropriate advice.

The purpose of this Guide

This FSG has been produced to inform you about our products and services and the fees that we charge.

The documents you may receive from us

Statement of Advice (SoA)

If you are seeking personal financial product advice, we will ask you to provide details of your financial situation, particular needs and investment objectives. We will use this information to prepare a written Statement of Advice.

A Statement of Advice is a written record of the advice provided by us to you, and includes information about fees, commissions and associations that may have influenced our advice.

Personal advice is advice that takes into account your personal objectives, financial situation and needs. In general we must give you a Statement of Advice the first time we provide personal advice about any financial product.

You may request a copy of a Statement of Advice however the request must be made within seven years of the provision of advice.

Record of Advice

For certain financial services, we may not need to issue you with a Statement of Advice, and a Record of Advice (RoA) may be prepared instead. The RoA will only be issued to you if you request it, within a reasonable time-frame, from your adviser.

Product Disclosure Statement

A Product Disclosure Statement (PDS) is a type of offer document and provides information about a product – for example, its features, benefits, fees and associated risks – to enable you to make an informed investment decision.

A PDS must be given to you in connection with any offer or recommendation to invest in;

- Managed funds
- Options
- Warrants
- Superannuation products.

Prospectus

A Prospectus may be issued instead of a PDS for some financial products – for example, shares and debentures.

Part One

The products and service solutions we can provide are on our website at ords.com.au

Ord Minnett Limited

Ord Minnett is authorised to offer the following products and services:

1. Trading in domestic and international equities
2. Fixed interest products
3. Managed funds
4. Margin Lending
5. Derivatives, including Exchange Traded Options
6. Initial Public Offerings and other capital raisings
7. Corporate Finance
8. Research and advisory services
9. Discretionary and Non-Discretionary Portfolio Management Services.

Ord Minnett is also authorised to deal in foreign exchange in order to facilitate settlement of international transactions and to provide custodial services which are incidental to our stockbroking business.

It is important that you understand the type of advice we will provide to you as a client of Ord Minnett.

Ord Minnett has been a part of the Australian stockbroking industry since the 1940's. Ord Minnett is very proud of this heritage and today is a Principal Member of the Stockbrokers Association of Australia.

As a traditional stockbroking firm, Ord Minnett generally provides stockbroking advice, which is 'scaled' advice relating to a specific area of your investment needs. In effect, this means that we will be advising you on the investment of a portion of your assets into primarily listed investments.

We can also provide an execution-only service which enables you to instruct us to transact on listed securities, derivatives and/or managed funds on your behalf. Should you elect to use this service we will not provide you with any personal advice and therefore will not take into account your objectives, financial situation and needs.

Ord Minnett Financial Planning

If you need comprehensive and strategic financial advice, you may consider using our financial planning service which is provided by Ord Minnett Financial Planning.

If you choose to use our financial planning service, your adviser will consider your individual needs and objectives, your investment time frame and tolerance for risk and provide you with a comprehensive investment strategy which may include any or all of the following relevant areas of advice:

1. Asset allocation
2. Investments in securities, derivatives, listed products and/or managed funds
3. Superannuation
4. Gearing strategies
5. Wealth protection (through the use of income protection, trauma or life insurance)
6. Retirement planning
7. Redundancy/early retirement.

Your adviser will formulate an appropriate investment strategy and then create a personalised and comprehensive Statement of Advice. In formulating recommendations, your adviser may consider taxation, legal and estate planning implications. However, as we are not specialists in these areas, you should seek further advice, as relevant, from an appropriate specialist.

Should you accept the recommendations contained within the Statement of Advice, we will then assist you with the implementation of the recommendations.

Ord Minnett Financial Planning also provides you with an ongoing advisory relationship and associated services. We will ensure that your investment strategy remains relevant to your changing situation, legislative changes and market developments.

Fees for Portfolio Services

Portfolio Administration and Reporting Service

Our Portfolio Administration and Reporting Service (PARS) charges an annual management fee calculated according to the value of your portfolio. Government taxes and charges may apply.

Non-Discretionary Portfolio Management (excl. GST)

Managed Discretionary Account Service

Our Managed Discretionary Account (MDA) service allows your adviser to make day to day investment decisions on your behalf without first consulting you.

To open an MDA Account you must sign an MDA Agreement with Ord Minnett. You must also agree to subscribe to Ord Minnett's Portfolio Administration Reporting Service.

When you open an MDA Account your adviser will prepare an Investment Program based on your personal circumstances, as well as your financial situation, needs and objectives. Your adviser will regularly review your Investment Program to ensure this remains suitable to your needs.

The Investment Program acts as a Statement of Advice and therefore complies with Division 3 of Part 7.7 and Division 2 of Part 7.7A of the Corporations Act. The Investment Program will include information about;

- The nature and scope of your adviser's discretion
- Any significant risks associated with the MDA service
- The basis upon which entering an MDA Agreement is considered to be suitable for you
- Warnings about the importance of any limitations relating to the MDA service which you must consider before signing the MDA Agreement

If you have instructions in relation to the rights attached to your investments (for example: product communications, take over offers, rights issues, share purchase plans etc) you should direct these to your adviser in writing.

MDA services are not suitable for all clients. It is important that you understand the risks associated with having someone else make significant investment decisions on your behalf.

Due to the volatile nature of the share market, there is a risk that actions which your adviser takes when investing your money may result in a loss to you.

Your adviser may make investment decisions that you disagree with. Provided your adviser acts within the scope of his or her authority, and has done so efficiently, honestly and fairly; the fact that you disagree with an investment decision does not mean that you have any right to recourse. You are obliged to accept any tax consequences, transaction costs and any capital loss resulting from any transactions validly executed by your adviser.

Ord Minnett's MDA service allows you to hold portfolio assets directly as we do not rely on custodial or depository providers.

e) Clearing services for transactions in Exchange Traded Options executed on ASX

FinClear Services may also be engaged by a Broker to clear the transactions in ETOs executed on ASX by the Broker.

If you are a client of one of those Brokers and you effect a transaction in an ETO on ASX through the Broker, FinClear Services (as clearer) will be responsible for the settlement obligations in respect of that transaction. For this purpose, you will become a client of FinClear Services and you will owe your settlement obligations in respect of that transaction directly to FinClear Services, not to the Broker.

If you are a client of one of those Brokers, and wish to trade in ETOs on ASX through it, you will need to enter into a Derivatives Client Agreement with FinClear Services.

You may also need to enter into a Derivatives Client Agreement with the Broker, and the Broker may be required to give you a Product Disclosure Statement (PDS) in relation to the ETOs that you may trade. The PDS will contain information concerning ETOs to assist you in deciding whether those products are appropriate for your needs.

f) Execution and clearing services for transactions in Exchange Traded Options executed on ASX

FinClear Services may also be engaged by a Financial Intermediary to provide to clients of the Financial Intermediary execution and clearing services in ETOs. This means that FinClear Services will execute transaction in ETOs on ASX for you and clear and settle those transactions.

If you are a client of one of those Financial Intermediaries and you wish to deal in ETOs on ASX, you may do so by communicating an order to deal in ETOs to the Financial Intermediary. The Financial Intermediary (as your agent) will communicate that order to FinClear Services who will execute the transaction on ASX on your behalf. For this purpose, you

will become a client of FinClear Services.

In addition, FinClear Services will also clear all transactions in ETOs that are executed by FinClear Services on your behalf. Accordingly, FinClear Services will be responsible for the settlement obligations in respect of those transactions. For this purpose, you will become a client of FinClear Services and you will owe your settlement obligations in respect of those transactions directly to FinClear Services and not to the Financial Intermediary.

If you are a client of a Financial Intermediary and wish to trade in ETOs on ASX, you will need to enter into a Derivatives Client Agreement with FinClear Services.

We may also be required to give you a PDS in relation to the ETOs that you may trade. The PDS will contain information concerning ETOs to assist you in deciding whether those products are appropriate for your needs. The Correspondent may also be required to give you a PDS in relation to the ETOs that you may trade.

g) Clearing services for transactions in Exchange Traded Options "given up" to FinClear Services on ASX

FinClear Services may clear a transaction in ETOs executed on ASX by another Participant of ASX Group if the transaction is "given up" to FinClear Services. If FinClear Services accepts the "give up" of such a transaction executed for you, FinClear Services will be responsible for the settlement obligations in respect of that transaction. For this purpose, you will become a client of FinClear Services and you will owe your settlement obligations in respect of that transaction directly to us and not to the other Participant.

Before FinClear Services can accept the "give up" to it of a transaction in ETO executed for you, you will need to enter into a Derivatives Client Agreement with FinClear Services. You will be provided with a PDS relating to ETOs as part of your client application documentation with the Derivatives Client Agreement.

h) Execution, clearing and settlement services for transactions in securities on international markets

FinClear Services may also be engaged by a Correspondent to arrange execution, clearing and settlement services in securities on international markets for clients of the Correspondent. This means that FinClear Services will arrange for the execution, clearing and settlement of the transaction with an entity which holds the appropriate authorisation to do so in that market (International Securities Trader). The International Securities Trader may be a FinClear Services group entity or a third party entity.

As a client of one of those Correspondents, you may effect an international securities transaction on an international market by providing instructions to the Correspondent. The Correspondent, acting as your agent, will then communicate your instructions to FinClear Services who, in acting for you, will communicate them to the International Securities Trader for fulfilment through FinClear Services' Account with that International Securities Trader. Securities traded on your behalf using FinClear Services' Account will be traded beneficially for you by FinClear Services. For this purpose, you will become FinClear Services' client, but not the client of the International Securities Trader.

FinClear Services will also arrange for the International Securities Trader to clear and settle all transactions in securities that it has executed on your behalf under this arrangement. Accordingly, FinClear Services will be responsible for the settlement obligations in respect of those transactions. For this purpose, you will become a client of FinClear Services and you will owe your settlement obligations in respect of those transactions directly to FinClear Services and not to the Correspondent or the International Securities Trader.

i) Settlement and nominee services - general

FinClear Services may also be engaged by a Correspondent to provide to clients of the Correspondent settlement services in securities and interests in managed investment schemes. This means that FinClear Services will settle

transactions arranged for you by the Correspondent and executed on a Relevant Exchange for you by a Trading Participant of a Relevant Exchange (other than FinClear Services and the Correspondent).

However, FinClear Services will only settle such transactions if, in the case of a purchase, the necessary funds are made available to FinClear Services and, in the case of a sale, the financial products sold are made available to FinClear Services, in each case in sufficient time before the time the transaction is to be settled.

As part of this service, FinClear Services may also arrange for your securities and interests in managed investment schemes to be held by FinClear Services Nominees as nominee for you.

For the purpose of settlement and nominee services, you will become FinClear Services' client.

j) Settlement and nominee services – MDA accounts

FinClear Services may be engaged to provide settlement and nominee services as described in paragraph 4 a) above to clients of the Correspondent in connection with the provision to the Client by the Correspondent of managed discretionary account (MDA) services. In that event, FinClear Services will be responsible only for the following services:

- the settlement of transactions which the Correspondent has arranged to be executed on a Relevant Exchange on your behalf (provided that FinClear Services will only settle such transactions if, in the case of a purchase, the necessary funds are made available to FinClear Services and, in the case of a sale, the financial products sold are made available to FinClear Services, in each case in sufficient time before the time the transaction is to be settled);
- the holding by FinClear Services Nominees as nominee for you of securities and interests in managed investment schemes which are acquired or otherwise form part of your investment portfolio (Investments) which the Correspondent manages for you as part of the MDA services;
- as FinClear Services Nominees will be the registered holder of your Investments:
 - it will receive any dividends or other distributions in respect of those Investments and will deal with them in accordance with instructions from the Correspondent;
 - it will be entitled to cast any votes in respect of your investments and may do so in accordance
- FinClear Services if required to do so under relevant regulatory requirements will provide you with an activity statement in respect of any transactions which it settles on your
- any other services to be provided by FinClear Services to you under the Nominee and Settlement Services Agreement entered into with you.

- giving instructions to FinClear Services in connection with the settlement of transactions executed on a Relevant Exchange for you and the distributions and rights in respect of the Investments held by FinClear Services Nominees on your behalf; and
- any other services required in connection with the provision of MDA services to you which are not to be provided by FinClear Services.

k) CHES Sponsorship services

FinClear Services may act as a CHES Sponsoring Participant of the clients of its Correspondents. Clients that are to be CHES sponsored by FinClear Services must enter into a Sponsorship Agreement with FinClear Services.

l) Nominee and custody services

FinClear Services may, in its absolute discretion, arrange for its wholly owned subsidiary, FinClear Services Nominees and/or another entity to provide nominee and other custody services for clients of the Correspondents for whom it provides clearing services and other clients. If you want FinClear Services to arrange for FinClear Services Nominees to provide nominee or custody services to you, you will need to enter into an agreement for this purpose. Where FinClear Services provides nominee services the financial products held by FinClear Services on your behalf may be held in the same account in which FinClear Services Nominees holds securities for other persons.

m) Other services

FinClear Services acts as agent for the clients of Correspondents in providing settlement services for the client in respect of transactions executed by the client or on behalf of the client by another person.

FinClear Services does not provide any financial product advice to retail clients. FinClear Services is authorised under its AFSL to provide general financial product advice to wholesale clients only for the following classes of financial products:

- derivatives;
- foreign exchange contracts;
- interests in managed investment schemes excluding investor directed portfolio services; and
- securities.

5. Capacity in which FinClear Services acts

The capacity in which FinClear Services acts depends on the service to be provided as follows:

a) Clearing services for transactions in securities and interests in managed investment schemes executed on a Relevant Exchange

FinClear Services acts as principal with ASX Clear or the relevant counterparty in relation to the clearing and settlement of transactions in securities and interests in managed investment schemes executed on a Relevant Exchange on your behalf. However, there may be certain activities which FinClear Services will perform as agent for another person (such as the despatch by FinClear Services of confirmations to clients as agent for the Broker that executed the transaction).

In clearing the transaction, FinClear Services acts as agent for the client for whom the transaction was executed. However, FinClear Services will owe the settlement obligations in respect of that transaction to ASX Clear as principal.

b) Execution and clearing services for transactions in securities and interests in managed investment schemes executed on a Relevant Exchange

FinClear Services acts as principal with ASX Clear or the relevant counterparty in relation to the execution of your orders which are communicated to it by the Financial Intermediary for execution on a Relevant Exchange on your behalf.

We act as principal (and not as agent for the Financial Intermediary) in relation to the clearing and settlement of such transactions. However, there may be certain activities which we will perform as agent for another person (such as the despatch by us of confirmations to clients as agent for the Financial Intermediary that arranged for the execution of the transaction).

In clearing the transaction, FinClear Services acts as agent for the client for whom the transaction was executed. However, we will owe the settlement obligations in respect of that transaction to ASX Clear as principal.

c) Execution and clearing services for transactions in securities on international markets

When FinClear Services enters into a contract with you to arrange for the execution, clearing and settlement of international securities transactions on a foreign market by an International Securities Trader for you, it does so as principal on its own behalf, and not as someone's agent.

When FinClear Services arranges for the provision of international securities trading services to you in accordance with this contract, FinClear Services acts as agent for you.

In order to provide these services to you, FinClear Services (as principal), has entered into agreements with an International Securities Trader, and will owe obligations in relation to any transactions directly to the International Securities Trader. (It is then your contract with FinClear Services which enables FinClear Services to ultimately call upon you to satisfy these obligations).

d) Clearing services for transactions in Exchange Traded Options executed on ASX

FinClear Services acts as principal in relation to the clearing and settlement of transactions in ETOs executed on ASX on your behalf. FinClear Services also acts as principal in respect of the clearing and settlement of transactions in ETOs executed on ASX on your behalf for which FinClear Services accepts the "give up".

However, there may be certain activities which FinClear Services will perform as agent for another person (such as the despatch by FinClear Services of confirmations to clients as agent for the Broker that executed the transaction).

The rights of FinClear Services against the ASX Group in respect of any transaction in ETOs executed on ASX for which FinClear Services has the settlement obligations will be personal to FinClear Services, and the benefit of those rights will not pass to the client for whom the transaction was executed. Accordingly, in clearing the transaction and being the registered holder of the ETO, FinClear Services acts as principal and not as an agent or trustee for the client. However, FinClear Services will owe corresponding obligations to the client as a principal.

e) Execution and clearing services for transactions in Exchange Traded Options executed on ASX

FinClear Services acts as principal in relation to the execution of your orders which are communicated to it by the Financial Intermediary for execution on ASX on your behalf.

We act as principal (and not as agent for the Financial Intermediary) in relation to the clearing and settlement of such transactions. FinClear Services also acts as principal in respect of transactions in ETOs executed on ASX on your behalf for which FinClear Services accepts the "give up".

However, there may be certain activities which FinClear Services will perform as agent for another person (such as the despatch by FinClear Services of confirmations to clients as agent for the Financial Intermediary who arranged for that transaction to be executed).

The rights of FinClear Services against the ASX Group in respect of any transaction in ETOs executed on ASX for which FinClear Services has the settlement obligations will be personal to FinClear Services, and the benefit of those rights will not pass to the client for whom the transaction was executed. Accordingly, in clearing the transaction and being the registered holder of the ETO, FinClear Services acts as principal and not as an agent or trustee for the client. However, we will owe corresponding obligations to the client as a principal.

f) Settlement and nominee services

FinClear Services acts as your agent in relation to the settlement of transactions in securities and interests in managed investment schemes which the Correspondent has arranged for another Trading Participant to execute on a Relevant Exchange on your behalf.

Equities Trade Rules and Information

In addition to the Terms and Conditions of dealing with Ord Minnett, please note the following Trade Rules and Information:

Ord Minnett and FinClear

Ord Minnett has entered into an agreement with FinClear Services Pty Ltd AFS Licence 338264 and ABN 60 136 184 962 ("FinClear" or "Ord Minnett's Clearing Participant") to settle and clear all Transactions executed by Ord Minnett. This relationship will have the following implications for you as a client of Ord Minnett:

- Ord Minnett will act as your CHESS Sponsoring Participant, however FinClear will administer your holdings in CHESS.
- Confirmations will be issued by FinClear and will reference FinClear as Ord Minnett's Clearing Participant.
- If you elect to settle your Ord Minnett transactions via direct debit or credit arrangements your account statement will identify FinClear instead of Ord Minnett as the entity which has debited or credited your nominated bank account.
- If you elect to settle your Ord Minnett purchases using the BPAY facility, you will notice that the BPAY Biller will be FinClear.

Confirmations

When you provide an electronic address ("email address") to Ord Minnett, you authorise Ord Minnett's Clearing Participant to dispatch electronic Confirmations to the email address provided. It is your responsibility to ensure that the email address you provide to Ord Minnett is operational and available for receipt of electronic Confirmations and to advise Ord Minnett of any change to your email address as soon as practicable after the change is made. If you do not provide Ord Minnett with an email address, Confirmations will be sent to a fax number provided by you in this Application Form. In the absence of an email address or fax number, Confirmations in paper based form will be sent to the registration address provided by you. Additional charges may apply for the production and postage of paper based Confirmations.

Where we enter into multiple Transactions in order to complete an order, you authorise us to accumulate those transactions on a single confirmation and to specify the volume weighted average price for the transactions. If requested by you, we will give you a statement of all the individual prices of the relevant transactions which are accumulated and averaged in a confirmation.

If you are a Wholesale Client for the purposes of the Market Integrity Rules, we may elect not to give any Confirmations to you in relation to Transactions executed for you.

Purchase of Shares

Payment for purchases must first be received by Ord Minnett's Clearing Participant so that the Clearing Participant can settle these purchases on Ord Minnett's behalf by the Settlement Date. If you are purchasing shares which are Issuer Sponsored, these shares will not be registered until payment has been received by Ord Minnett's Clearing Participant and these funds have cleared. Therefore, when purchasing shares, payment must be made in time to reach Ord Minnett's Clearing Participant by the close of business on the second Business Day following the transaction, in readiness for settlement on the third Business Day. You also have the choice of paying by:

Ord Minnett Cash Management Trust

By providing details of your Ord Minnett Cash Management Trust you authorise Ord Minnett's Clearing Participant, as agent of Ord Minnett, to use the Sweep Facility on your Ord Minnett Cash Management Trust to settle securities transactions.

Other Cash Management Trusts

Other Cash Management Trust managers may require a separate authorisation to allow Ord Minnett's Clearing Participant to settle transactions on your behalf. If this is the case, please attach the appropriate Authority.

Banking Details – Credit and Debit–By allowing Ord Minnett's Clearing Participant to directly credit and/or debit your account when settling securities transactions, you will ensure the fastest and most secure method of settlement.

BPAY–If you have elected to settle your purchases via the BPAY facility you must schedule payment prior to 6.00 pm the day before market settlement to ensure your transaction settles on time. The BPAY facility details will be listed on your Confirmation.

Sale of Shares

Shares which are sponsored by Ord Minnett for you in CHESS at the time of the sale will be available for settlement on the nominated day. If your shares are issuer sponsored, Ord Minnett must know your Shareholder Reference Number (SRN) before your order is placed. If you are selling shares represented by share certificates (these are still valid for a very few securities), you must mail the share certificates to Ord Minnett before you place your order, or have them delivered to us no later than the first Business Day following the transaction. If they are not received in time, fail fees may be imposed by the Relevant Exchange and passed onto you. Proceeds from sales are made available to you by Ord Minnett's Clearing Participant, usually on the third Business Day following the transaction and as noted on your Confirmation either by:

1. Transfer to your Ord Minnett Cash Management account, where your funds will begin to earn interest immediately; or
2. Direct credit – cleared funds to your nominated bank account, subject to your election of a direct credit facility in the Application Form.

Ord Minnett Cash Management Trust

We strongly recommend that you establish an Ord Minnett Cash Management Trust to settle your trades. The Ord Minnett Cash Management Trust provides for the establishment of a 'sweep' facility to and from your share account for the settlement of purchases and sales of your shares. Your liquid funds will earn market-related interest in your Cash Management Trust account whilst being readily accessible on a 'same day' basis.

A Product Disclosure Statement and Application Form can be obtained from your Adviser. Please note that funds which are held in a Cash Management Trust account are not covered by the ASX National Guarantee Fund or the Cboe Fidelity Fund.

Ord Minnett Sponsorship

We recommend that you choose to register your shareholdings in the CHESS system, via Ord Minnett Sponsorship, as an alternative to Issuer Sponsorship. This will allow us to maintain an accurate record of your holdings and ensures convenient settlement of share transactions and timely delivery of sales.

CHESS is a centralised electronic transfer and settlement system which is operated by the ASX. The integrity of holdings which are Broker Sponsored in CHESS are protected by the ASX National Guarantee Fund.

Being sponsored by Ord Minnett does not preclude you from dealing with any other Broker. To elect to have your shares sponsored by Ord Minnett you must sign the enclosed CHESS Sponsorship Agreement and return this to us together with your Application Form as soon as possible. Any valid holdings statement under an SRN (where your holdings are Issuer Sponsored) or share certificates that you now hold or which may result from your initial purchases with us may also be forwarded to Ord Minnett for conversion to CHESS. You will then receive statements from CHESS to confirm your holdings.

Ord Minnett Best Execution Policy

The ASIC Market Integrity Rules (Securities Markets) 2017 ("MIRs") require that Ord Minnett Limited ("Ord Minnett") take all reasonable steps to obtain the best possible execution for its clients.

Our Best Execution policy sets out the measures we will take to ensure the best possible outcome for clients who place orders through Ord Minnett. This overarching obligation to obtain the best possible result for clients is referred to, in this document, as our obligation of "Best Execution". Specific terms used within this policy are as defined in the MIRs.

Scope

This policy applies to all Ord Minnett clients and to dealings in financial products. Best Execution is only owed when we accept an order to execute a transaction on your behalf or in other circumstances where we have otherwise expressly agreed to accept Best Execution obligations.

When you give a specific instruction, Ord Minnett will be bound to follow your instruction notwithstanding that executing your instruction may not result in Best Execution.

Our Obligation

When executing orders on your behalf in relation to financial products, Ord Minnett will take all reasonable steps to achieve Best Execution of your orders. Ord Minnett has in place policies and processes which are designed to obtain the best possible execution result on a consistent basis, subject to and taking into account the financial product, the market for the financial product and your instructions to Ord Minnett. These policies and processes provide, in Ord Minnett's view, the best balance across a range of sometimes conflicting factors.

Subject to any instruction to the contrary from you, Ord Minnett will generally give price a higher relative importance when obtaining the best possible result for orders executed on your behalf. However, Ord Minnett may also take into consideration a range of different factors, including, the need for timely execution, availability of price improvement, the liquidity of the market (which may make it difficult to execute an order), potential price impact, the size of the order.

Ord Minnett will monitor the effectiveness of its execution arrangements and assess on a regular basis whether our policies and processes provide for the best possible result for orders it executes on your behalf.

Our Markets

Ord Minnett will trade wholly on the ASX and Chi-X markets without and will look to find the Best Execution on each market.

We undertake to ensure that you obtain Best Execution irrespective of the market on which a financial product is traded.

Ord Minnett will not structure or charge commissions in such a way as to discriminate unfairly between markets.

Your Instructions

Where you give us specific instructions, relating to an order or a particular aspect of an order, we will execute so far as is reasonably possible in accordance with those instructions. This may prevent us from taking the steps that we have put in place to obtain the best possible result for the execution of your orders.

In the absence of express instructions from you Ord Minnett will exercise its own discretion, having regard for the terms of your order in determining the factors that it needs to take into account for the purpose of providing you with Best Execution.

Aggregation and allocation

Ord Minnett maintains policies surrounding the aggregation of orders within its operating procedures. Where we enter into multiple transactions and the transactions are executed on one or more licensed markets, you authorise us to accumulate those transactions on a single confirmation and to specify the volume weighted average price for the transactions.

- 2.1.2 Subject to Clause 2.1.3 the Participant is not obliged to transfer Financial Products into the Participant Sponsored Holding, where payment for those Financial Products has not been received, until payment is received.
- 2.1.3 Where a contract for the purchase of Financial Products remains unpaid, after the Participant has made a demand of the Participant Sponsored Holder to pay for the Financial Products, the Participant may sell those Financial Products that are the subject of that contract at the Participant Sponsored Holder's risk and expense and that expense will include brokerage, GST and stamp duty (if applicable).
- 2.1.4 Where the Participant claims that an amount lawfully owed to it has not been paid by the Participant Sponsored Holder, the Participant has the right to refuse to comply with the Participant Sponsored Holder's Withdrawal Instructions, but only to the extent necessary to retain Financial Products of the minimum value held in a Participant Sponsored Holding (where the minimum value is equal to 120% of the current market value of the amount claimed).

2.2 Participant Sponsored Holder's Rights

- 2.2.1 The Participant Sponsored Holder is entitled to receive a copy of the executed Broker Sponsorship Agreement on request.
- 2.2.2 Subject to Clauses 2.1.3 and 2.1.4, the Participant will initiate any Transfer, Conversion or other action necessary to give effect to Withdrawal instructions within two (2) Business Days of the date of the receipt of the Withdrawal Instructions.
- 2.2.3 Subject to Rule 7.4, the Participant will not initiate any Transfer or Conversion into or out of the Participant Sponsored Holding without the express authority of the Participant Sponsored Holder.

- 2.2.4 The Participant is regulated by the Corporations Act 2001 (Cth), the Australian Securities and Investment Commission (ASIC) Act and related legislation applicable to Financial Services Providers, the ASIC Market Integrity Rules, ASX Operating Rules, the Cboe Australia Pty Ltd (Cboe) Operating Rules, ASX Clearing Rules, and ASX Settlement Rules. The Participant Sponsored Holder can obtain information as to the status of the Participant from ASIC, ASX and Cboe.
- 2.2.5 The Participant Sponsored Holder may lodge a complaint against the Participant with the Participant, the Financial Ombudsman Service, ASIC, ASX or Cboe.
- 2.2.6 The Participant Sponsored Holder may lodge a claim for compensation with the Participant, or if the circumstances specified in Part 7.5 Division 4 of the Corporations Regulations 2001 apply, with the National Guarantee Fund.

3. Other Rights and Duties

3.1 Supply of Information

- 3.1.1 The Participant Sponsored Holder will supply all information and supporting documentation which is reasonably required to permit the Participant to comply with the registration requirements, as are in force from time to time, under the ASX Settlement Operating Rules.

3.2 Exchange Traded Options, Pledging and Sub-Positions

- 3.2.1 Where the Participant Sponsored Holder arranges with ASX Clear to lodge Derivatives Cover in a Participant Sponsored Holding, and informs the Participant of the arrangement, the Participant Sponsored Holder authorises the Participant to take whatever action is reasonably required by ASX Clear in accordance with the Rules to give effect to that arrangement.
- 3.2.2 Where the Participant Sponsored Holder arranges with any person to give a charge or any other interest in Financial Products in a Participant Sponsored Holding, the Participant Sponsored Holder authorises the Participant to take whatever action is reasonably required by the person in accordance with the Rules to give effect to that arrangement.
- 3.2.3 The Participant Sponsored Holder acknowledges that where, in accordance with this Agreement and/or the Participant Sponsored Holder's instructions, the Participant initiates any action which has the effect of creating a sub-position over Financial Products in the Participant Sponsored Holding, the right of the Participant Sponsored Holder to transfer, convert or otherwise deal with those Financial Products is restricted in accordance with the terms of the Rules relating to sub-positions.
- 3.2.4 Nothing in this Agreement operates to override any interest of ASX Clear in the Financial Products.

3.3 Fees

- 3.3.1 The Participant Sponsored Holder will pay all Brokerage fees and associated transactional costs within the period prescribed by the Participant.

4. Mandatory Notifications and Acknowledgments

- 4.1 The Participant Sponsored Holder acknowledges that if the Participant is not a Market Participant of an Approved Market Operator, neither the Approved Market Operator nor any Related Party of the Approved Market Operator has any responsibility for regulating the relationship between the Participant Sponsored Holder and the Participant, other than in relation to the Rules relating to Sponsorship Agreements.
- 4.2 The Participant Sponsored Holder acknowledges that if a transfer is taken to be effected by the Participant under Section 9 of the ASX Settlement Operating Rules and the Source Holding for the transfer is Participant Sponsored Holding under the Sponsorship Agreement, then:
- (a) the Participant Sponsored Holder may not assert or claim against ASX Settlement or the relevant Issuer that the Transfer was not effected by the Sponsoring Participant or that the Sponsoring Participant was not authorised by the Participant Sponsored Holder to effect the transfer; and
 - (b) unless the transfer is also taken to have been effected by a Market Participant of ASX or a Clearing Participant of ASX Clear, the Participant Sponsored Holder has no claim arising out of the transfer against the National Guarantee Fund under Part 7.5, Division 4 of the Corporations Regulations 2001.
- 4.3 In the event that the Participant breaches any of the provisions of this Agreement, the Participant Sponsored Holder may refer that breach to any regulatory authority, including ASX Settlement.
- 4.4 In the event that the Participant is suspended from CHES participation, subject to the assertion of an interest in Financial Products controlled by the Participant, by the liquidator, receiver, administrator or trustee of that Participant:
- (a) the Participant Sponsored Holder has the right, within twenty (20) Business Days of ASX Settlement giving Notice of Suspension, to give notice to ASX Settlement requesting that any Participant Sponsored Holdings be removed either:
 - (i) from the CHES Subregister, or
 - (ii) from the control of the suspended Participant to the control of another Participant with whom they have concluded a valid Sponsorship Agreement pursuant to Rule 12.19.10, or
 - (b) where the Participant Sponsored Holder does not give notice under Clause 4.4(a), ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11 and the Participant Sponsored Holder will be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as the existing Sponsorship Agreement. Where a Participant Sponsored Holder is deemed to have entered into a Sponsorship Agreement, the new Participant must enter into a Sponsorship Agreement with the Participant Sponsored Holder within ten (10) Business Days of the change of Controlling Participant.
- 4.5 The Participant Sponsored Holder acknowledges that before the Participant Sponsored Holder executed the Sponsorship Agreement, the Participant provided the Participant Sponsored Holder with an explanation of the effect of the

Sponsorship Agreement and that the Participant Sponsored Holder understood the effect of the Sponsorship Agreement.

- 4.6 The Participant Sponsored Holder acknowledges that in the event of the death or bankruptcy of the Participant Sponsored Holder, a Holder Record Lock will be applied to all Participant Sponsored Holdings in accordance with the ASX Settlement Operating Rules, unless the Participant Sponsored Holder's legally appointed representative or trustee elects to remove the Participant Sponsored Holdings from the CHES Subregister.
- 4.7 The Participant Sponsored Holder acknowledges that in the event of the death of the Participant Sponsored Holder, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer the Participant Sponsored Holder's estate, subject to the consent of the legally appointed representative, for a period of up to three (3) calendar months after the removal of a Holder Record Lock applied pursuant to Clause 4.6.

For Joint Holdings Only

- 4.8 The Participant Sponsored Holder acknowledges that in the event of the death of one of the Holders, the Participant will transfer all Holdings under the joint Holder Record into new Holdings under a new Holder Record in the name of the surviving Participant Sponsored Holder(s), and that this Sponsorship Agreement will remain valid for the new Holdings under the new Holder Record.
- 4.9 The Participant Sponsored Holder acknowledges that in the event of the bankruptcy of one of the Holders the Participant will:
- (a) unless the legally appointed representative of the bankrupt Participant Sponsored Holder elects to remove the Participant Sponsored Holdings from the CHES Subregister, establish a new Holder Record in the name of the bankrupt Participant Sponsored Holder, transfer the interest of the bankrupt Participant Sponsored Holder into new Holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder Record, and
 - (b) establish a new Holder Record in the name(s) of the remaining Participant Sponsored Holder(s) and transfer the interest of the remaining Participant Sponsored Holder(s) into new Holdings under the new Holder Record.

5. Change of Controlling Participant

- 5.1 If the Participant Sponsored Holder receives a Participant Change Notice from the Controlling Participant of the Participant Sponsored Holding and the Participant Change Notice was received at least twenty (20) Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, the Participant Sponsored Holder is under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in clauses 5.2 or 5.3.
- 5.2 The Participant Sponsored Holder may choose to terminate the Agreement by giving Withdrawal Instructions under the ASX Settlement Operating Rules to the Controlling Participant, indicating whether the Participant Sponsored Holder wishes to:
- (a) transfer its Participant Sponsored Holding to another Controlling Participant, or
 - (b) transfer its Participant Sponsored Holding to one or more Issuer Sponsored Holdings.

- 5.3 If the Participant Sponsored Holder does not take any action to terminate the Agreement in accordance with 5.2 above, and does not give any other instructions to the Controlling Participant which would indicate that the Participant Sponsored Holder does not agree to the change of Controlling Participant then, on the effective date, the Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the effective date:
- (a) the New Controlling Participant is a party to the Agreement in substitution for the Existing Controlling Participant
 - (b) any rights of the Existing Controlling Participant are transferred to the new Controlling Participant, and
 - (c) the Existing Controlling Participant is released by the Participant Sponsored Holder from any obligations arising on or after the effective date.
- 5.4 The novation in clause 5.3 will not take effect until the Participant Sponsored Holder has received a notice from the New Controlling Participant confirming that the New Controlling Participant consents to acting as the Controlling Participant for the Participant Sponsored Holder. The effective date may as a result be later than the date set out in the Participant Change Notice.
- 5.5 The Participant Sponsored Holder will be taken to have consented to the events referred to in clause 5.4 by the doing of any act which is consistent with the novation of the Agreement to the New Controlling Participant (for example by giving an instruction to the New Controlling Participant), on or after the effective date, and such consent will be taken to be given as of the effective date.
- 5.6 The Agreement continues for the benefit of the Existing Controlling Participant in respect of any rights and obligations accruing before the effective date and, to the extent that any law or provision of any agreement makes the novation in clause 5.3 not binding or effective on the effective date, then the Agreement will continue for the benefit of the Existing Controlling Participant until such time as the novation is effective, and the Existing Controlling Participant will hold the benefit of the Agreement on trust for the New Controlling Participant.
- 5.7 Nothing in this clause 5 will prevent the completion of CHES transactions by the Existing Controlling Participant where the obligation to complete those transactions arises before the effective date and the Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of the Agreement to the New Controlling Participant under this clause 5.

6. Claims for Compensation

- 6.1 You may lodge a complaint or any claim for compensation with the Participant in the first instance and if you are not satisfied with the response you may contact the Financial Ombudsman Service. In addition you may lodge a claim for compensation with any of the regulatory authorities referenced in paragraph 2.2.5.
- 6.2 If the Participant breaches a provision of this Agreement and the Participant Sponsored Holder makes a claim for compensation pursuant to that breach, the ability of the Participant to satisfy that claim will depend on the financial circumstances of the Participant.
- 6.3 If a breach by a Participant of a provision of this Agreement falls within the circumstances specified in the compensation arrangements applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations, a Participant Sponsored Holder may make a claim under the relevant compensation arrangements.

7. Termination

- 7.1 Subject to the ASX Settlement Operating Rules, this Agreement will be terminated upon the occurrence of any of the following events:
- (a) by notice in writing from either the Participant Sponsored Holder or the Participant to the other Party to the Agreement;
 - (b) upon the Participant becoming insolvent;
 - (c) upon the termination or suspension of the Participant, or
 - (d) upon the giving of Withdrawal Instructions by a Participant Sponsored Holder to a Controlling Participant in accordance with Rule 7.1.10(c).
- 7.2 Termination under Clause 7.1(a) will be effective upon receipt of Notice by the other party to the Agreement.

8. Variation

- 8.1 Should any of the provisions in this Agreement be inconsistent with the provisions in the ASX Settlement Operating Rules, the Participant will, by giving the Participant Sponsored Holder not less than seven (7) Business Days written Notice, vary the Agreement to the extent to which in the Participant's reasonable opinion is necessary to remove any inconsistency.

Clearing Participant's Disclosure Statement

DISCLOSURE STATEMENT

to clients of Ord Minnett Limited (Broker)

TERMS OF YOUR AGREEMENT WITH FINCLEAR SERVICES PTY LTD ABN 60 136 184 962 AFSL No 338264 (FINCLEAR)

1. Your clearing arrangements with FinClear

FinClear is admitted as a Clearing Participant in accordance with the ASX Clear Rules.

Whenever you place an Order with the Broker (as your agent) to purchase or sell Traded Products by means of a Transaction, you are immediately deemed to have entered into an agreement with FinClear on the terms and conditions set out below in this Disclosure Statement (Terms and Conditions). By placing an Order with the Broker, you accept and agree to be bound by these Terms and Conditions.

If you effect a Transaction through the Broker, FinClear carries the clearing obligations and any settlement obligations (together, Settlement Obligations) for all Transactions effected through the Broker (including those effected by the Broker on your behalf) and FinClear must settle as principal with ASX Clear or the relevant counter-party, even though the Transaction may have been entered into on your behalf. Your clearing obligations and any settlement obligations are therefore owed directly to FinClear (and not the Broker).

In the event that you fail to complete a contract in accordance with the ASX Clear Rules or fail to pay the amounts due in respect of a Transaction, FinClear has direct rights against you, including rights of sale under the Exchange Rules and ASX Clear Rules and those described in these Terms and Conditions.

2. Conduct of Business

You acknowledge and agree:

- (a) to comply with these Terms and Conditions, all applicable laws, the Exchange Rules, ASX Clear Rules and ASX Settlement Rules and the directions, decisions and requirements of each Relevant Exchange and the customs and usages of the Market. Upon request, you are able to inspect copies of the Exchange Rules, ASX Clear Rules and ASX Settlement Rules at the Broker's offices; and
- (b) that all Transactions are subject to the Exchange Rules, ASX Clear Rules, the directions, decisions and requirements of the Relevant Exchange and the customs and usages of the Market, the correction of errors and omissions and, if the sale or purchase is in relation to CS Approved Products, the ASX Settlement Rules.

3. FinClear's right to require the Broker to refuse to accept Orders

You acknowledge that FinClear may at any time in its absolute discretion direct the Broker to:

- (a) refuse to accept you as a client or not to accept Orders from, or execute Orders for you; or
- (b) refuse to accept a particular Order from you.

4. Purchases and Sales

You must ensure that payment in full is received by FinClear (and not the Broker) before the Settlement Date and Time. FinClear will not accept payment in cash. In accordance with the provisions of the Corporations Act, and the regulations made under the Corporations Act, pending settlement by you, these Terms and Conditions and the relevant Confirmation (if any) constitutes notice to you that FinClear may deposit the Traded Products purchased for you in a particular transaction as security for a loan if FinClear has received and paid for such Traded Products on your behalf.

You must deliver to FinClear (and not the Broker) all documents and security holder information (including the holder identification number or personal identification number and, if applicable, holder reference number) (Security Holder Information) no later than two business days before the Settlement Date and Time.

All documentation and Security Holder Information must be sent to:

FinClear Services Pty Ltd
Level 7,1 Chifley Square
Sydney NSW 2000

If you have entered into a Sponsorship Agreement with either FinClear or the Broker, you will be taken to have satisfied this obligation if you ensure that sufficient Traded Products are held in your Sponsored Holding with FinClear or the Broker (as the case may be), those Traded Products are unencumbered and, if the consent of any third party is required before FinClear or the Broker (as the case may be) may withdraw those Traded Products, that consent has been obtained and communicated to FinClear.

You irrevocably authorise FinClear to apply any Traded Products held in your Participant Sponsored Holding to satisfy your Settlement Obligations arising from any Transaction executed by the Broker on your behalf.

Credits in respect of sales are not available until the latest of:

- (a) the Settlement Date and Time;
- (b) when all documents and Security Holder Information have been received by FinClear in deliverable form; and
- (c) all amounts due and payable by you to FinClear or the Broker have been paid.

Unless FinClear has agreed alternative arrangements with you, FinClear will pay all sale proceeds directly to you.

5. Misdirected Market Transactions

If at any time Transactions executed by the Broker are also to be cleared through a Clearing Participant (other than FinClear), you acknowledge that:

- (a) the Broker may, incorrectly or otherwise, direct a Transaction which it has executed on your behalf to a Clearing Participant other than FinClear (Misdirected Market Transaction);
- (b) FinClear does not have any Settlement Obligations in respect of any Misdirected Market Transaction; and
- (c) FinClear will not provide you with a confirmation in respect any Misdirected Market Transaction.

6. Short sales

A “short sale” is when Traded Products are sold on your behalf, or you place an Order with the Broker to sell Traded Products, at a time when you do not have a presently exercisable and unconditional right to vest the Traded Products in a buyer. Under section 1020B(2) of the Corporations Act, you are prohibited from effecting a short sale unless you are able to rely on an exemption from that prohibition provided in the Corporations Act, Corporations Regulations 2001 (Cth) or provided by way of ASIC class order relief or other current and effective relief granted by ASIC. You must not place an Order for a short sale with the Broker unless you are able to rely on such an exemption. For the avoidance of doubt, you are able to rely on such an exemption where the circumstances of your Order are such that you are able to satisfy all conditions of any one or more exemptions to the prohibition on short selling.

7. No Advice

You acknowledge that FinClear does not provide financial product advice, nor does it accept responsibility for any financial product advice given to you by the Broker. You must not represent to any person that FinClear has given any financial product advice to you.

8. Settlement Date and Time

The “Settlement Date and Time” for sales or purchases is the date and time that is specified on the front of the relevant Confirmation. If no date and time are specified or no Confirmation is required to be given, the Settlement Date and Time is 9.00am (Sydney time) on the third Business Day after the execution of the Transaction.

The Broker has no authority to extend the Settlement Date and Time.

9. Warranties by the client

You represent and warrant that before placing any Order with the Broker:

- (a) you will be in a position to pay for any Traded Products purchased and have a presently exercisable and unconditional right to vest any Traded Products sold in the buyer, to enable settlement at the Settlement Date and Time;
- (b) if your Order relates to the purchase of a Partly Paid Security (as defined in the Market Integrity Rules), you have made arrangements (to FinClear’s satisfaction) to pay to FinClear a sufficient amount to cover any liability arising from all possible future calls in respect of the Partly Paid Securities; and
- (c) you will not place an Order for an AQUA Product unless you have received and read the Product Disclosure Statement relating to the product and the ASX Fact Sheet in relation to the ASX Managed Fund Settlement Service.

10. Settlement using BPAY facility

If you would like to make payment from your cheque or savings account by BPAY, please make arrangements with your participating financial institution. Please quote the Biller Code and your BPAY reference number (see the front page of the relevant Confirmation (if any)).

11. Confirmations

You will be given confirmations as required by the Corporations Act and the Market Integrity Rules (Confirmations).

You authorise FinClear (on behalf of the Broker) to give Confirmations to you electronically to the email address notified to FinClear by the Broker on your behalf from time to time for this purpose. FinClear may not provide you with paper copies of Confirmations.

You agree to promptly check the accuracy of every Confirmation sent to you and to notify the Broker immediately of any error that you consider may have occurred. In the absence of such notification from you within 24 hours, you will be taken to have accepted the accuracy of the Confirmation.

A Confirmation may at any time be re-issued to you in order to correct any errors or omissions and the terms and conditions of the original Confirmation will apply in relation to the reissued Confirmation.

Where the Broker enters into multiple Transactions in order to complete your Order (whether on one or more Relevant Exchanges), you authorise FinClear on behalf of the Broker to accumulate those Transactions on a single Confirmation and to specify the volume weighted average price for those Transactions on that Confirmation. If requested by you, the Broker will, if required under the Market Integrity Rules, give you a statement of all the individual prices of the relevant transactions which are accumulated and averaged in a Confirmation.

If you are a Wholesale Client for the purposes of the Market Integrity Rules, the Broker may elect not to give any Confirmations to you in relation to Transactions executed for you. If the Broker so elects, these Terms and Conditions are taken to be the notification required to be given by the Broker to you under the Market Integrity Rules.

12. Failure to Settle

You acknowledge that, if you fail to make any payment due to FinClear or deliver any documents or Security Holder Information to FinClear or otherwise comply with the Settlement Obligations that you owe to FinClear in relation to a Transaction in accordance with these Terms and Conditions or the relevant Confirmation, if any (fail to settle), FinClear may do any one or more of the following:

- (a) charge an administration fee calculated by reference to the additional cost which may be incurred by FinClear or the Broker (including any fail fees imposed by a Relevant Exchange or ASX Clear) as a result of your failure to settle;
- (b) levy a default charge on the amount from time to time outstanding at a rate of up to 15.0% per annum;
- (c) sell out (or procure the sell out of) any Traded Products purchased (and you are fully responsible for any loss in connection with such sale) and apply the proceeds in reduction of your liability to FinClear and to recover FinClear’s costs in so acting;
- (d) buy in (or procure the buy in of) any Traded Products sold (and you are fully responsible for any loss in connection with such purchase) and recover FinClear’s costs in so acting;
- (e) sell out (or procure the sell out of) any Traded Products otherwise held on your behalf (and you are fully responsible for any loss in connection with such sale) and apply the proceeds in reduction of your liability to FinClear and to recover FinClear’s costs in so acting;
- (f) apply any cash held by FinClear or a related body corporate of FinClear or the Broker on your account or to which they have access, or payments received for or from you in reduction of your liability to FinClear; or
- (g) instruct the Broker to cancel any of your unexecuted Orders,

and you authorise FinClear and each of its directors and employees as your attorney to give instructions on your behalf in respect of your Traded Product holdings sponsored by FinClear or the Broker (or a related body corporate of either them) in CHESS, or held by a related body corporate of either of them in nominee holdings, and in respect of call deposit facilities or cash management trust accounts on which either FinClear or the Broker is authorised to give instructions, to enable FinClear to realise those Traded Products or funds and apply the proceeds in reduction of your liability to FinClear and to recover FinClear’s costs in so acting.

If you fail to settle, FinClear may make arrangements on your behalf to ensure that your Settlement Obligations are performed (including by buying-in or borrowing the relevant Traded Products).

If you have not met your settlement obligations owed to FinClear in respect of a Transaction executed for you by the Broker by the date

which is 5 Business Days after the date on which that Transaction was executed, it is FinClear's policy (and FinClear may be obliged under the ASX Settlement Rules), without any notice to you:

- (a) in the case of a purchase, to execute a Transaction to close out the failed purchase (by selling the relevant Traded Products); or
- (b) in the case of a sale, to execute a Transaction to close out the failed sale (by buying-in the relevant Traded Products),

and recover any resulting loss from you.

You must pay or reimburse FinClear any such administration fees and default charges (together with any GST payable on those amounts) immediately upon demand or at FinClear's option it may deduct such administration fees and default charges (and any GST) from any sale proceeds or other amounts otherwise payable to you.

The manner in which FinClear may exercise or not exercise, or the timing of or any delay in any exercise by FinClear of, any right of FinClear under this clause is not to be taken to be financial product advice by FinClear to you, and you must not represent to any person that it is financial product advice by FinClear.

FinClear will not be liable to you for any failure by FinClear to exercise (or any delay in the exercise by FinClear of) any right FinClear may have against you, or any loss incurred by you as a result of FinClear not exercising any of its rights against you immediately, or at all, following any failure by you to comply with your obligations.

The rights described in this clause 12 are in addition to any rights that are conferred to FinClear under the Exchange Rules and the ASX Clear Rules.

13. Cancellations

Each Relevant Exchange has the power under the Exchange Rules to cancel or amend Transactions or Crossings. You authorise FinClear to, and agree that FinClear may, without your consent, cancel or amend (or request or agree to the cancellation or amendment of) any Transactions or Crossing relating to the sale or purchase (as the case may be) of Traded Products:

- (a) if requested to do so by the Broker in accordance with the Exchange Rules;
- (b) if a Relevant Exchange or a participant of the Relevant Exchange exercises its power under the Exchange Rules to cancel or amend (or require the cancellation or amendment of) the Transaction or Crossing; or
- (c) in the event of an Error or otherwise in the circumstances contemplated in the Exchange Rules.

Your obligations referred to in clause 4, and FinClear's obligations in relation to the settlement of a Transaction, will no longer apply in respect of a cancelled transaction from the time it is cancelled or, in the case of an amended Transaction, apply as amended.

14. Interest on FinClear's trust account

You acknowledge that FinClear will retain the interest (if any) earned on monies held in its trust account from time to time.

15. Assignment to the Broker of debts owed by you to FinClear

If you have not paid any debt to FinClear, you acknowledge that FinClear may (by notice to you and the Broker) assign that debt to the Broker and the assigned debt will become an obligation of yours owed to the Broker. In the event of such an assignment, the Broker (and each of its directors and employees) will have the rights and powers (and may do all the things) set out in clause 12 as if a reference to FinClear were a reference to the Broker.

16. Instructions and other communications to be given via the Broker

You acknowledge and agree that all communications given by you (including to provide instructions in respect of transactions in respect of Traded Products) are to be given by you to the Broker (such communications to be given in the form and manner agreed with the Broker from time to time) and the Broker will (as your agent) pass on your communication to FinClear.

17. Instructions by fax or e-mail

You acknowledge and agree that;

- (a) you are and will at all relevant times be authorised to make communications to the Broker (who will pass on those communications to FinClear on your behalf) (including as the case may be, to give instructions in respect of transactions in respect of Traded Products) by email and fax;
- (b) communication by email and/or fax is not a secure means of communication and involves higher risks of distortion, manipulation and attempted fraud;
- (c) fax communications may be of poor quality or unclear;
- (d) you authorise the Broker and FinClear to accept and act without any inquiry upon, communications (including instructions) provided by email and/or fax which appear to the Broker or FinClear to have been provided by or for you; and

18. Indemnity

You must, to the maximum extent permitted by law, at all times and from time to time, indemnify and keep each of FinClear and its related bodies corporate and any of their respective directors, officers, contractors, agents and employees (each an Indemnified Person) harmless from and against all liabilities, losses, damages, costs or expenses directly or indirectly suffered by the Indemnified Person and from and against all actions, proceedings, claims or damages made against the Indemnified Person as a result of:

- (a) any transaction entered into by the Broker on your behalf;
- (b) any failure by you to settle;
- (c) any other breach by you of these Terms and Conditions;
- (d) any breach by you of any other agreement with FinClear;
- (e) any breach by you of any representation or warranty made or taken to have been made by you (including without limitation in relation to any disclosure to be made in respect of sale Orders) not being true or correct,

other than to the extent that the loss has resulted from FinClear's negligence, wilful default or fraud.

19. Credit references

You agree that FinClear may make such enquiries as it thinks fit of any person, including your employer, your bank or a credit agency relating to your creditworthiness.

20. Information

You warrant that all information provided by you to the Broker or FinClear is, or will be when given, accurate, true and correct and further agree to immediately notify FinClear in writing upon becoming aware that such information is no longer accurate, true and correct. You agree that FinClear and the Broker may share such information, as well as your account details and information regarding your transactions in Traded Products with each other and with FinClear's related bodies corporate on a confidential basis as FinClear

considers appropriate. You also consent to FinClear and/or the Broker disclosing this information and your account details to any regulatory authority, and consent to FinClear and/or the Broker using such information and your account details for the purposes of monitoring compliance by you, the Broker and/or FinClear with their respective regulatory and contractual obligations, and resolving disputes. Section Two

Introduction

Exchange Traded Options are a versatile financial product which can allow investors to:

- hedge against fluctuations in their underlying share portfolio
- increase the income earned from their portfolio.

Their flexibility stems from the ability to both buy and short sell an ETO contract and undertake multiple positions targeting specific movements in the overall market and individual equities.

The use of ETOs within an investor's overall investment strategy can provide great flexibility to take advantage of rising, falling and sideways markets. However, both the purchase and the sale of ETOs involve risks which are discussed at length below.

Specific concepts which should be practically understood before

engaging in an options strategy are:

- The effect time has on any one position/strategy
- How volatility changes, both up and down, may change the value of an ETO
- How to calculate margins and worst-case scenarios for any position
- The likelihood of early exercise and the most probable timing of such an event
- The effect of dividends and capital reconstructions on an options position
- Liquidity of an options series, the role of market makers, and the effect this may have on your ability to exit a position.

When buying an ETO the initial outlay of capital may be small relative to the total contract value so that transactions are leveraged. Transactions should only be entered into by investors who understand the nature and extent of their rights and obligations as well as the risks associated with trading ETOs.

When selling an ETO the initial income may seem attractive but the downside may be unlimited. Risk minimisation strategies should be employed to mitigate losses when a position does not move in a favourable manner.

Whilst this PDS provides product information including information about the risks, characteristics and benefits of the ETO, investors should inform themselves and if necessary obtain advice about the specific risks, characteristics and benefits of the ETO they intend to trade and relevant ASX rules.

Educational booklets

ETOs have been traded on the ASX since 1976. Over this time, ASX has prepared a number of educational booklets relating to ETOs which are available on the ASX website at www.asx.com.au.

The Exchange Rules require that we provide you with the ASX booklet entitled "Understanding Options Trading". If you do not receive a copy of this booklet, or have read this but need a further explanation of its contents, you should contact your adviser before opening an options trading account. Your adviser will be happy to provide any assistance which you reasonably require to properly understand ETOs. You should note that Ord Minnett will not accept any responsibility should you choose to trade ETOs without an informed understanding of the risks associated with this product.

This PDS also cross references a number of ASX booklets all of which are available free on the ASX website. These booklets provide useful information regarding ETOs, including options features, advantages of options, risks associated with options, option adjustments, option pricing, margins, taxation and option contract specifications.

If you cannot access the ASX booklets via the ASX website, please contact us immediately and we will arrange to forward copies of the booklets to you at no charge.

If you have any questions on any aspect of the booklets you should consult your Ord Minnett financial adviser before making any investment decisions.

What are ETO contracts?

ETOs may be American or European style exercise. Most ASX options are American style which means they are tradeable and can be exercised at any time prior to the expiry day. European style options, which include index options, can only be exercised on the expiry date and not before.

An ETO is a contract between two parties which gives the buyer (the taker) the right, but not the obligation, to buy or sell the shares

underlying the option at a specified price (exercise price) on, or before a predetermined date. To acquire this right, the taker pays a premium to the seller (writer) of the contract. When considering options over an index, the same concepts generally apply.

The underlying securities are the securities or indices over which options are available. The securities may either be an ASX listed share or other ASX listed financial product or a share price index (in the case of an index option). For ease of reference the term “share” will be used to denote underlying securities throughout this PDS.

There are two types of options traded on ASX; call options and put options. Call options give the buyer the right, but not the obligation, to buy the underlying shares, while put options give the buyer the right, but not the obligation, to sell the underlying shares.

All options positions consist of one or more of either a bought call, a sold call, a bought put, or a sold put. A long (or bought) option position is created by the purchase of a call or put. A short (or sold) position is created by the sale of a call or put. By combining two or more of these basic positions, an investor can create a trading strategy that meets a range of investment objectives, including the protection of an existing portfolio of shares.

Other strategies

Options are versatile and there is a broad range of options strategies you can use. As a general rule, more complex strategies will involve additional risk and you should seek advice from your adviser before implementing complex options strategies.

To find out more about the different strategies that you can use we recommend you read the following free ASX educational booklets:

Understanding Options Trading

Discusses the features and contract specifications of options and outline the risks and advantages of trading options. It also gives examples of how ETOs work and details some basic option trading strategies.

Call Option: an illustrative example

For example, a XXX October 1700 call option gives the taker the right to buy 100 XXX shares for \$17 each, on or before the expiry date of the option in October. If assigned, the writer (seller) of this option must sell 100 XXX shares for \$17 per share. At the time of effecting the option transaction, the option buyer pays the option seller a premium, which is the cost of the option.

Notably, the taker of the option is not obligated to exercise the option. The taker can sell the option before it expires, or alternatively let the contract lapse at expiry, thereby foregoing the option premium.

Put Option: an illustrative example

For example, a XXX January 1600 put option gives the taker the right to sell 100 XXX shares for \$16 each, on or before the expiry date of

the option in January. If assigned, the writer (seller) of this option must buy 100 XXX shares for \$16 per share. At the time of the option transaction, the option buyer pays the option seller a premium, which is the cost of the option.

When are margins paid?

If you buy options, then margins are not payable. It is only when you write options that margins may be payable.

Margins are paid to cover your settlement obligations and these are paid by Ord Minnett to ASX Clear on a daily basis. ASX Clear recalculates margins at the end of each day to ensure an adequate level of margin cover is maintained and will then debit or credit your account depending on whether your margin obligation has increased or decreased.

Where there is a shortfall you will usually be required to pay margins within 24 hours.

When an obligation to the market no longer exists, all margin amounts are credited back to your account with your broker. For example, the writer of a call option would be required to **add to their margin cover** if the share price moved **up from its current level**. This is because the writer has a larger potential obligation under the option contract and may need to buy shares in order to deliver them at the exercise price. If the share price falls, the writer's margin obligations would be reduced.

Margin obligations will arise from both written call option and written put option contracts.

Example: Call options

For example, say you are the writer of a Boral Ltd (BLD) November \$4.00 call option and the BLD share price is \$4.10. In writing the position you receive the option premium and have an obligation to sell 100 BLD shares at \$4.00 per share if the taker of the option exercises their right.

If the market rises, your written call option could be exercised. If this happens you would have to sell 100 BLD shares to the taker at \$4.00 each. If you did not already own these shares you would have to buy them at the current market price but deliver them to the taker for \$4.00, possibly incurring a loss.

On the other hand, if you are the taker of a BLD \$4.00 call option you would not be required to meet any margins. This is because you have no obligation to buy the BLD shares. In buying the option you would have already paid a premium to the writer for the right to buy the BLD shares. This premium represents your total outlay unless you decide to exercise your option, in which case you would be required to buy the 100 BLD shares at the exercise price of \$4.00. Normally you would only want to do so if the market price was above \$4.00 at the time you decide to exercise.

Example: Put options

Like the writer of a call option, the writer of a put option has a potential obligation if the taker of the put decides to exercise their right to sell the underlying securities.

For example, say you are the writer of a Woolworths (WOW) October \$12.00 put option. You have the obligation to buy 100 WOW shares at \$12.00 if the taker exercises their right to sell. In return for taking on the obligation to buy 100 WOW shares at \$12.00, you will receive the option premium. In our example, the option premium is \$0.35 per share or \$35 (35 cents x 100 shares) per WOW contract.

To ensure you can meet your potential obligations you will be required to lodge margin cover. On the other hand, if you are the taker of a WOW October \$12.00 put option you will have to pay the premium of \$35 to the writer. As the taker you have the right to sell the WOW shares at \$12.00.

In summary, writers of call and put options are required to lodge margin cover because of their obligations which arise from writing options.

ETO Features

ETO trading on the ASX Options Market is assisted by the standardization of ETO contract components. The five components of an option contract are as follows:

1. Underlying Securities and Approved Indices

Options traded on ASX's Options Market are only available for certain securities and approved indices. These securities may either be an ASX listed share or other ASX listed financial product or a share price index. They must be listed on ASX and are selected by ASX Clear according to specific guidelines. Calls and puts over the same underlying securities are termed "classes" of options.

2. Contract size

Option contract sizes are in most cases standardised at 100 underlying shares on the ASX Options Market. This means that one option contract represents 100 underlying shares, which may change if there is an adjustment such as a new issue or a reorganisation of capital in the underlying share.

In the case of index options, the contract value is fixed at a certain number of dollars per index point (for example, \$10.00 per index point). The size of the contract is equal to the index level multiplied by the dollar value per index point (for example, for an index at 5000 points, one contract would be 5000 times \$10.00 or \$50,000).

3. Expiry day

ETOs have a predetermined limited lifespan and expire on standard expiry days set by ASX Clear. The expiry day is the day on which all unexercised options in a particular series expire and is the last day of trading for that particular series. For share options, this is usually the Thursday before the last business Friday in the month. For index options, expiry is usually the third Friday of the contract month, however, ASX Clear has the right to change this date should the need arise.

In general, all options for a particular class follow one of the three quarterly cycles listed below:

- January/April/July/October
- February/May/August/November
- March/June/September/December

ETOs are usually listed for the next three sequential months in the quarterly expiry cycle. For example, assume it is now June 2008 and XXX follows the January, April, July, October expiry cycle. There would be currently listed a July 2008, an October 2008 and a January 2009 series. When the July 2008 series expires, an April 2009 series will be listed. When the October 2008 series expires, a July 2009 series will be listed and so on.

In addition to quarterly expiry cycles, a current or spot month is available for most ETO classes where the option expires at the end of the current month and can be used to trade short term price changes in the underlying shares.

The top ten shares by options volume also have a twelve month expiry cycle listed to provide a longer time frame for investors.

There are also longer term ETO contracts listed over certain classes, with some of these having terms of up to five years.

For more information on these ETO types, please consult your adviser.

4. Exercise (or strike) price

The exercise price is the specified buying or selling price for the underlying share if the option is exercised. ASX Clear sets the exercise prices for all options listed on ASX's Options Market. Usually there is a range of exercise prices available for options

with the same date of expiration. New exercise prices are listed on the basis of underlying share price movements. Typically, the range of exercise prices includes one exercise price close to the current price of the underlying share, with two exercise prices above, and two exercise prices below the current share price.

For example, if an underlying price of Share A is \$3.50 (the price at which it is trading), ETO contracts with the following exercise (or "strike") prices may be listed; \$3.00, \$3.25, \$3.50, \$3.75 and \$4.00.

This range of exercise prices allows you to more effectively match your ETO position to expectations of the price movement in the underlying share. Exercise prices may also be adjusted during the life of the option if there is a new issue or a reorganisation of capital in the underlying share.

5. Premium

The premium is the price of the ETO. This is determined by negotiation between the buyer ("taker") and the seller ("writer") of the ETO. It is the only component of the five option components that is not specified by ASX Clear.

ETO premiums are quoted on a cents per share basis. To calculate the full premium value for a standard size ETO contract, you need to multiply the quoted premium by the number of shares per contract. This is usually 100.

For example, a quoted premium of 16 cents represents a total premium value of (\$0.16 x 100) \$16.00 per contract. To calculate the full premium value for an index ETO, you simply multiply the premium by the index multiplier. For example a premium of 30 points, with an index multiplier of \$10.00, represents a total premium value of \$300.00 per contract.

Factors Affecting Options Pricing

When considering an option, it is important to understand how the premium is calculated. Option premiums change according to a range of factors including the price of the underlying share, its volatility, and the time left to expiry.

An option premium can be separated into two parts – intrinsic value and time value. Different factors influence intrinsic and time value.

1. Intrinsic value

Intrinsic Value is the difference between the exercise price of the ETO and the prevailing market price of the underlying shares at any given time.

2. Time value

Time Value represents the amount you are prepared to pay for the possibility that the market might move in your favour during the life of an ETO. The Time Value is determined by:

- Time to expiry
- Volatility
- Interest rates
- Market expectations
- Ex-Dividend payments

As the expiry date draws nearer, the ETO upside is reduced. This erosion of ETO value is called "time decay." Time value does not decay at a constant rate however, increasing in rate as the expiry dates draws closer. As a general guide, an ETO will lose 1/3 of its time value during the first half of its life and 2/3 during the second half.

3. Volatility

Volatility is one of the most important influences in the price of an ETO. Volatility measures the amount by which an underlying share is expected to fluctuate in a given time period.

Volatility contributes significantly to the price of the ETOs premium and to the ETOs time value. The higher the volatility, the more chance the option has of becoming profitable before expiration. Generally, the more volatile the market, the higher the premium will be as the seller ("writer") is exposed to a greater possibility of incurring a loss. The receipt of a higher premium is compensation for this higher risk.

4. Interest rates

A rise in interest rates will increase call option premiums and reduce put option premiums.

5. Market expectations

Ultimately, supply and demand determine the market value of all options. During times of strong demand, premiums will generally be higher.

6. Dividend Ex-dates

If an underlying share goes ex-dividend during the life of an ETO, the premium of a call option will be lower as shares tend to fall in value on going ex-dividend. Conversely, if the share had not gone ex-dividend during the ETOs life, the premium of a put option becomes higher. This is because share price declines make call options less valuable and put options more valuable.

In practice, option pricing is complex and involves the use of mathematical formulae to calculate the intrinsic and time value of options.

7. Dividends and voting

The buyer of a call option or the seller ("taker") of a put option does not receive dividends on the underlying shares until the shares are exercised, nor does the owner have any voting rights until the time of transfer.

Option information can be monitored on the ASX website, www.asx.com.au, or in some major newspapers including The Australian or The Australian Financial Review. You can also obtain the current price of an option by contacting your Ord Minnett adviser.

Opening an ETO Position

Setting up an ETO contract is referred to as "opening a position."

Once the buyer (taker) of an ETO has an open position they may either;

1. Exercise the option
2. Hold the option to expiry and allow it to lapse
3. Close their position by selling (writing) an option in the same series as originally taken, and instructing their adviser to "close out" the original open position.

The seller (writer) of an ETO has two alternatives;

1. Let the option go to expiry and risk being exercised (if it is not exercised, it will expire without any further obligation or liability on the writer), or
2. "Close out" the option by buying the option in the same series as originally taken (provided it has not been exercised).

Closing an ETO Position

An ETO position may be "closed out" by placing an order equal and opposite in effect to the original order. This may be done to;

- Take a profit
- Limit a loss
- Avoid an unwanted early exercise (other than an index option which can only be exercised on expiry day).

It is important to confirm with your adviser you want to close out an existing position when placing your order instruction. Closing out

can be achieved without reference to the original counterparty to the trade because of the process of novation. ASX Clear is able to substitute a new buyer to the contract.

Automatic Exercise

Unless you advise us not to exercise an open position prior to 4.30 pm on expiry day, we will automatically exercise any "in-the-money" position. Automatic exercise will take place for any options in your account which are \$0.01 or more in the money at expiry as defined by the reference prices of ASX Clear in the Derivatives Clearing System.

Settlement Obligations

Payment for, and the delivery of underlying shares, on exercise of an open ETO contract occurs via the ASX's Clearing House Electronic Subregister System (CHES) on T+3 (transaction date + 3 business days). Ord Minnett is obliged to make payment to the ASX within this timeframe.

For cash settled index ETOs, a cash settlement amount calculated having regard to the opening price index calculation on expiry day, is paid to exercising takers on the day following the expiry day. The level used for settling index options is determined by a special formula. If you intend investing in index options you should understand these arrangements.

For more information on settlement of index options please read and understand the ASX Booklet "Understanding Options Trading", and in particular the section on "Trading Index Options".

Ord Minnett requires that you settle at T+1 (that is within 24 hours from the time the trade occurred) for all cash positions (obligations) which arise from premiums, interest and other cash financial transactions. This requirement is stated in the terms of our client agreement with you.

You are required to pay the margin amounts we call from you within 24 hours of the margin obligation falling due.

Benefits of Options Ownership

The benefits of owning ETOs are;

1. Risk management

Put Options allow you to hedge against a possible fall in the value of shares held. This is similar to taking out insurance against a fall in the share price.

2. Time to decide

By taking a Call Option, the purchase price for the shares is fixed which gives the holder until the expiration date to decide whether or not to exercise the option and purchase the shares. Likewise, the taker of a Put Option has time to decide whether or not to sell the shares.

3. Leverage

Leverage provides the potential to make a higher return from a smaller initial outlay than investing directly, however leverage usually involves higher risk than a direct investment in the underlying shares. Trading in options can allow you to benefit from a change in the price of the share without having to pay the full price of the share.

4. Diversification

Options can allow you to build a diversified portfolio for the same or even lower initial outlay than purchasing shares directly.

5. Income generation

You can earn extra income over and above dividends by writing call options against your shares. By writing an option you receive the option premium upfront, however there is a possibility that you could be exercised against and have to deliver your shares to the taker at the exercise price.

6. Strategies

By combining different ETO types, or stock with ETOs, you can create a wider range of investment strategies that may better suit your needs.

Risks of Trading Options

General Risks of Options Ownership

Trading in ETOs may not be suitable for some investors. In light of the risks associated with trading in derivative products, you should only invest in ETOs where you fully understand the nature of this investment, the associated risks and your regulatory and legal rights and obligations.

Prior to any investment it is also suggested that you assess your experience, investment objectives, current financial resources and any other points of relevance with your financial adviser. You should not rely on this PDS as a full explanation of the risks associated with investing in ETOs.

The purchaser of an ETO, whether it is a call option or a put option, has a known and limited potential loss. If an ETO expires with no value, the buyer will lose the total value paid for the option (the premium), plus any transaction costs incurred.

Selling ("writing") options may entail considerably greater risk than purchasing options. The premium received by the seller of an ETO is both limited and fixed, however the seller may incur losses greater than that amount.

The risks of trading ETOs include but are not limited to the following:

1 Market risks

A range of factors affects the market value of options. They may decline in price or even become worthless before expiry. Changes in the price of the underlying shares may result in changes to the price of an ETO, however the change can sometimes be in a different direction or at a different rate to the change in the price of the underlying share.

2 A limited life asset

Options have an expiry date and therefore a limited life. An ETO's time value erodes over its life and this accelerates as an option nears expiry. It is important to assess whether the options selected have sufficient time to expiry for your market views to be realised.

3 Effect of 'Leverage' ('Gearing')

The initial outlay of capital may be small relative to the total contract value, meaning that ETO transactions are leveraged. Therefore, a relatively small market movement may have a proportionally large impact on the value of the ETO. This may work for you, or alternatively, against you. The use of leverage can lead to larger gains, as well as larger losses.

4 ETO sellers face potentially unlimited losses

Selling ("writing") ETOs may involve considerably greater risk than buying options. The premium received by the seller is fixed and limited however they may also incur losses greater than that amount. The seller who does not own the underlying shares or have offsetting option positions has a potentially unlimited loss position and potential profits and losses can be greater than the money initially outlaid.

5 Margin calls

Your liability in relation to an ETO is not limited to the amount of the margin paid. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position, or upon settlement of contracts. If you fail to comply with a request for additional funds within the time prescribed, Ord Minnett may close out your position and you will be liable for any losses that result.

6 Illiquidity and Pricing Relationships

Market conditions may increase the risk of loss by making it difficult to effect transactions or close out existing positions. Normal pricing relationships may not exist in certain circumstances, for example, in periods of high buying or selling pressure, high market volatility or illiquidity in the market for a particular ETO series.

7 Risk-Reducing Orders or Strategies

The placing of orders which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

8 Suspension or Restriction of Trading and Pricing Relationships

Market conditions or actions by the ASX or ASX Clear may increase the risk of loss by making it difficult (or impossible) to effect transactions or close out existing positions. Normal pricing relationships may not exist in certain circumstances, for example, in periods of high buying or selling pressure, high market volatility or illiquidity in the market for a particular ASX Derivative Product. ASX and ASX Clear have broad powers under their Exchange Rules to take action in the interests of maintaining fair and orderly markets. In some instances, this may affect your positions.

9 Terms and Conditions of Contracts

Under certain circumstances the specifications of outstanding contracts may be modified by ASX or by ASX Clear. The extent to which you may recover money or property is governed by the Corporations Act and other legislation and rules. In certain circumstances you may have a claim against the National Guarantee Fund.

10 Trading Facilities

As with all trading facilities and systems, the systems used in the market are vulnerable to temporary disruption or failure. An investor's ability to recover certain losses in these circumstances will be limited given the limits of liability imposed by the ASX and ASX Clear.

11 Trade Cancellations

Ord Minnett has the ability to amend or cancel the trade as stated in our "Terms and Conditions of Trading" and any Confirmation (previously known as a Contract Note) issued. This could cause you to incur a loss or increase your loss.

Section Three

Costs associated with trading ETOs

ETO brokerage:

The minimum fee charged by Ord Minnett is \$100 per trade. Above this minimum, brokerage is charged on a sliding scale as follows:

Premium Value	Brokerage charged on opening an options position	Brokerage charged on closing out an options position
\$0 - \$5,000	2.5%	1.25%
\$5,001 - \$15,000	2.0%	1.0%
\$15,001 and above	1.5%	0.75%

Government Taxes

GST will be charged on all brokerage and fees at the rate of 10%.

Adviser Commissions

Advisers receive up to 60% of the brokerage received over and above the first \$10 per options transaction.

Interest

Ord Minnett's Clearing Participant will maintain a trust account to hold funds which you have provided to us to settle transactions we have undertaken on your behalf.

Any interest earned on the trust account by the Clearing Participant will be retained by Ord Minnett. ASX Clear may also pay interest to the Clearing Participant on all cash lodged as collateral to cover ASX Clear margins. The Clearing Participant will pass on any interest received as calculated by ASX Clear to you, less an administration fee of not more than 50 basis points (0.5%). This Interest will appear on your monthly statement.

ASX Clear fees

ASX Clear charges a registration fee of \$0.13 plus GST per option contract. If you exercise a share option, ASX Clear charges an exercise fee of \$0.50 plus GST per contract. If you are assigned on an option position, ASX Clear charges a fee of \$0.50 plus GST per contract.

In the case of index options, ASX Clear charges \$0.35 per contract plus GST, for both the transaction fee and the exercise fee.

The exact cost of your transaction will be disclosed on your Confirmation/Trading Statement.

Stamp duty

No stamp duty is payable on option transactions or securities transactions arising from options exercise.

Margins

If you sell or write an option contract, you have a potential obligation to the market because the buyer may exercise their position. A margin is an amount that is calculated by ASX Clear as necessary to ensure that you can meet the obligation.

Margin obligations may arise from:

1. written call option contracts
2. written put option contracts

ASX Clear calculates margins and take into account the volatility of the underlying share.

The total margin for an ETO is made up of two components;

1. The premium margin is the market value of the particular position at the close of business each day. It represents the amount that would be required to close out your option position.
2. The risk margin covers the potential change in the price of the option contract, assuming the maximum probable inter-day movement (daily volatility) in the price of the underlying share. The daily volatility figure, expressed as a percentage, is known as the margin interval.

Each week, ASX Clear publishes the margin interval for all option classes. Updated margin intervals and options volatility statistics are updated on the ASX website.

If you have a number of option positions open, ASX Clear will evaluate the risk associated with your entire options portfolio and calculate your total margin obligation accordingly. It is possible that some option positions may offset others, leading to a reduction in your overall obligation.

Margin Payments

Margins are recalculated on a daily basis to ensure an adequate level of margin cover is maintained. This means that you may have to increase your level of margin cover if the market moves against you. Alternatively, your margins may be reduced if the market moves in your favour.

Settlement requirements for trading options are strict. You must pay any margin calls by the time stated in your Client Agreement. Under Exchange Rules, this can be no longer than 24 hours after being called.

If you do not meet your margin call in time, Ord Minnett may take action to close out your position without further reference to you.

Section Four

Client Trust Accounts and Collateral

In order for us to trade an exchange traded option contract for you, we require you to provide the Clearing Participant with money or property to enable us to cover your payment obligations. Client money and property paid or given by you in connection with any dealing in ETOs will be held by the Clearing Participant in trust in accordance with the Corporations Act and the Exchange Rules. **In order to trade ETOs through Ord Minnett you will be required to set up an Ord Minnett Cash Management Trust account** from which the Clearing Participant can withdraw funds as and when these are needed to facilitate settlement.

Money is held on trust for you in a trust account, however, this does not apply to money paid to reimburse us for payments we have had to make to ASX Clear Pty Ltd (ASX Clear) (generally margin calls) in respect of dealings for you. The Corporations Act provides that money held in the trust account can be used for specific purposes such as meeting margin obligations, guaranteeing, securing, transferring, adjusting or settling dealings in derivatives.

CHESS securities (held by you) may be lodged in your name with ASX Clear as collateral for margin obligations relating to option trades. When CHESS securities are lodged with ASX Clear, the securities are held by ASX Clear as a 'third party security'. The lodged securities cannot be used by us (or by the Clearing Participant) in relation to our dealings or for our other clients in relation to their dealings unless authorised by you as third party collateral. **Shares in a client's superannuation fund cannot be used as third party collateral for any other account.**

ASX Clear accepts cash and a range of collateral to cover an investor's margin obligations.

Shares bought using margin lending accounts may be eligible as collateral for written call option strategies.

If you would like to use collateral to cover your margin obligations, you should discuss this with your adviser.

National Guarantee Fund

The National Guarantee Fund (NGF) provides investors with protection in the following circumstances:

1. If a stock option is exercised, the NGF guarantees completion of the resulting trades in certain circumstances; and
2. If you have entrusted property to Ord Minnett or the Clearing Participant in the course of dealing in options, and Ord Minnett later becomes insolvent, you may claim on the NGF, in accordance with the rules governing the operation of the NGF, for any property which has not been returned to you or has not otherwise been dealt with in accordance with Ord Minnett's obligations to you. There are limits on claims to the NGF for property entrusted.

For more information on the possible protections offered by the NGF see www.segc.com.au.

Principal Trading

Ord Minnett may from time to time undertake transactions on its own behalf through other Market Participants. You should note that in some circumstances such orders may compete with the orders of Ord Minnett's clients indirectly.

Taxation Implications

The taxation of options can be complex and may change over time. Accordingly, you are recommended to seek professional tax advice before entering in to or disposing of an exchange traded option.

Ord Minnett does not provide tax advice and does not undertake to advise you in respect of taxation issues associated with trading in ASX Derivative Products.

It is important to note that your tax position when trading exchange traded options will depend on your individual circumstances, in particular whether you are trading on a revenue or capital account

You should take taxation into consideration when you are investing in options, just as you would when investing in shares. Some of the issues that may be relevant include:

- Are you classified as a trader or as a speculator?
- Is an option trade on a revenue account or on a capital account?
- Are there timing issues, for example when an option position is opened in one tax year and closed in the next tax year?
- Where an option strategy is in place around the time a stock goes ex-dividend, are you in danger of not satisfying the 45 day Holding Period Rule and therefore being disqualified from receiving the franking credits attached Cleared to the dividend?
- Could the exercise of an option position crystallise a taxation event for the underlying shareholding thereby giving rise to a Capital Gains Tax liability?

This is by no means a comprehensive list of the taxation issues of options trading and should not be relied upon by individual investors. Taxation issues will vary from investor to investor and individual investors should obtain their own tax advice before investing into the products detailed in this PDS. It is therefore important to discuss your taxation situation with your taxation adviser or accountant, to ensure that any options trades you enter will not have adverse taxation implications.

Additional information on taxation may be found on the ASX internet site, www.asx.com.au.

Section Five

Derivatives Client Agreement

This Client Agreement consists of the following two sections:

- Part A sets out the terms of the agreement between you and Ord Minnett Limited ABN 86 002 733 048 AFSL No. 237121 (**Ord Minnett**) as the Trading Participant (executing broker) that arranges for and executes orders for exchange traded options for you.

- Part B sets out the terms of the agreement between you and FinClear Services Pty Ltd ABN 60 136 184 962 AFSL No. 338264 (**FinClear or Ord Minnett's Clearing Participant**) as the Clearing Participant that clears and settles your exchange traded options.

Because of the operation of the rules of the ASX and ASX Clear there may be some duplication between the terms and conditions applicable to your dealings with Ord Minnett and those applicable to your dealings with the Clearing Participant.

PART A –Terms of your agreement with Ord Minnett as Trading Participant for exchange traded options

1 Application of Exchange Rules

The Client and its authorised agent and Ord Minnett are bound by the Exchange Rules of ASX Limited ("ASX"), the Corporations Act and the Procedures, customs, usages and practices of ASX and its related entities, as amended from time to time, in so far as they apply to ASX Derivative Products traded on ASX on the Client's behalf.

2. Authority of Client

The Client acknowledges that the Client is either:

- (a) acting as principal; or
- (b) acting as an intermediary on another's behalf and specifically authorised to enter into Exchange Transactions by the terms of:
 - (i) a licence held by the Client ; or
 - (ii) a trust deed (if the Client is a trustee); or
 - (iii) an agency contract.

3. Disclosure of the client's investment needs and financial position

- 3.1 The Client must provide Ord Minnett with all relevant personal details, financial information and client profile information as required in the application form and understand and acknowledge that failure to provide such information and/or provision of incorrect information, will limit Ord Minnett's ability to assess the suitability of Options trading for the Client and may limit the suitability of advice and recommendations made by Ord Minnett. The Client should be aware that the absence of such personal details may result in provision of general advice only.
- 3.2 The Client must promptly notify Ord Minnett of changes to the information the Client has provided in Client Details and the Client Profile. The Client acknowledges that failure to notify changes to the information may mean there are limitations on the appropriateness of any recommendations made to the Client.
- 3.3 Ord Minnett will treat information that it possesses concerning the Client as confidential and in accordance with its Privacy Policy, a copy of which is available on request. In particular, the Client acknowledges that Ord Minnett may provide information concerning the Client to ASX, ASX Clear or related entities in the ASX group as required by the Exchange Rules.

4. Information provided by Ord Minnett

- 4.1 Ord Minnett must give the Client any information (including updates to the Product Disclosure Statement) that Ord Minnett is required to give the Client under the Exchange Rules or Corporations Act.
- 4.2 Ord Minnett does not warrant the accuracy or completeness of information in any ASX published explanatory booklet.

5. The client's instructions

- 5.1 Subject to clause 5.8 if the Client wishes Ord Minnett to enter into Exchange Transactions or exercise Options on the Client's behalf pursuant to Part A of this agreement, the Client must notify Ord Minnett of the Client's instructions either in writing, or with the agreement of Ord Minnett, orally.

- 5.2 Subject to clause 5.5 Ord Minnett will use its reasonable endeavours to give effect to the Client's instructions, but Ord Minnett will not be responsible for failure to give effect to, or for delays or errors in giving effect to, the Client's instructions.
- 5.3 Where the Client places an order by email Ord Minnett will not be responsible for any loss or liability incurred by the Client where Ord Minnett does not receive the Client's instructions or where dealing or proposed dealing is interrupted, unable to be completed or unable to take place due to failure of any computer or other electronic or technological service. In addition, Ord Minnett will not be responsible for any loss or liability incurred by the Client where Ord Minnett is unable to receive or act on the Client's instructions due to circumstances beyond Ord Minnett's reasonable control.
- 5.4 Ord Minnett is entitled to rely on any document or communication which it reasonably believes to be a notification or an oral communication under clause 5.1 without further enquiry.
- 5.5 The Client acknowledges that Ord Minnett may at any time refuse to deal in, or may limit dealings or positions in, ASX Derivative Products for the Client. Ord Minnett is not required to act in accordance with the Client's instructions, where to do so would constitute a breach of the Exchange Rules, the Operating Rules or the Corporations Act. Ord Minnett will notify the Client of any refusal or limitation as soon as practicable. This may be done by telephone. Without limiting this clause 5.5, Ord Minnett may refuse to enter into an Exchange Transaction until it receives such funds or security as are required pursuant to this Agreement or the Exchange Rules.
- 5.6 The Client acknowledges that any failure to deliver funds or security in a timely fashion is ultimately the Client's responsibility.
- 5.7 The Client will provide Ord Minnett with contact details at which Ord Minnett can obtain the Client's instructions at all times.
- 5.8 The Client must instruct Ord Minnett if the Client wants to exercise an Option. However, the Client acknowledges that Ord Minnett will automatically exercise on expiry day any Options in the Client's Account which are \$0.01 or more in the money at expiry by reference to the reference prices disseminated by ASX Clear in the Derivatives Clearing System, unless the Client instructs Ord Minnett not to exercise prior to 4.30pm on expiry day.
- 5.9 Ord Minnett is entitled to cancel or reverse a trade and any confirmation without notice to the Client where ASX Group or ASIC has recommended or required cancellation for market integrity reasons, or where the market was operating under an error, or where the cancellation or reversal is permitted under the Exchange Rules.
- 5.10 The Client acknowledges that Ord Minnett will not maintain option accounts on a discretionary basis except where specifically authorised by the Client in a separate agreement. Where the Client has not signed an agreement authorising discretionary trading, the Client undertakes to immediately notify Ord Minnett as soon as the Client becomes aware of any transaction on the Client's account which was undertaken without the Client's express approval and instruction. If the Client does not notify Ord Minnett of any unauthorised transactions on the Client's account within 14 days of the Client having been given written notice of such transaction, the Client will be presumed to have agreed to and accepted the transactions and will not hold Ord Minnett liable in the event of any losses arising out of these.
- 5.11 If an order which the Client has placed is only partly completed and if the Exchange Rules permit Ord Minnett to do so, the Client authorises Ord Minnett to accumulate and average prices for that order in accordance with the Exchange Rules.

6. Tape recording of conversations

The Client acknowledges that Ord Minnett may record telephone conversations between the Client and Ord Minnett. If there is a dispute between the Client and Ord Minnett, the Client has the right to listen to any recordings of those conversations which are in the possession of Ord Minnett. It is not currently Ord Minnett's practice to record telephone conversations with Clients.

7. Dealing as principal

The Client acknowledges that Ord Minnett may, in certain circumstances permitted under the Corporations Act and the Exchange Rules, take the opposite position in a transaction in ASX Derivative Products, either acting for another client or on its own account or on the account of an associate of Ord Minnett.

The Client consents to such transactions and to being charged commission on such transactions, to the extent that the Exchange Rules and Corporations Act permit it. Ord Minnett may from time to time undertake transactions on its own behalf through other Market Participants. The Client should note that in some circumstances such orders may compete with the orders of Ord Minnett's clients indirectly.

8. Commissions and fees

The Client must pay to Ord Minnett brokerage, commissions, fees, taxes and charges in connection with dealings for the Client in ASX Derivative Products at the rates determined by Ord Minnett from time to time and notified to the Client in writing.

The Client acknowledges that the Client is liable for the cost of purchases including brokerage costs, taxes, duties, administration fees and charges in respect thereof and that the Client must make good delivery in respect of sales, to enable Ord Minnett to settle by the due settlement date.

Where the Client fails to make good delivery in respect of sales or fails to meet the costs of purchases by the due settlement date, Ord Minnett is entitled to pass on all costs to the Client.

In the event that Ord Minnett does not receive payment from the Client for a purchase, Ord Minnett reserves the right to either demand payment from the Client on the settlement date or else settle the purchase in the absence of the Client's payment and either on or after the settlement date, apply any monies held by the Client in any account of the Client to which Ord Minnett (or Ord Minnett's Clearing Participant) has lawful access, in order to satisfy the Client's obligation.

9. Relationship between the client, Ord Minnett and ASX Clear

Before accepting any orders to enter into Exchange Transactions for the Client pursuant to Part A of this agreement, Ord Minnett's Clearing Participant will open an account with ASX Clear in the Client's name in accordance with the Exchange Rules.

10. Settlement and Margin Requirements

- 10.1 Client must pay to Ord Minnett's Clearing Participant any amount that the Clearing Participant is liable to pay to ASX Clear in connection with dealings executed by Ord Minnett on the Client's behalf in ASX Derivative Products.

- 10.2 Without limiting clause 10.1, Ord Minnett may call for payment of money or the provision of other security which Ord Minnett considers, in its absolute discretion, appropriate in connection with the obligations incurred by it in respect of Derivatives Contracts entered into for the Client's account.

The Client acknowledges that the amount called may be in excess of the margin requirements established by ASX Clear. The call may be made by Ord Minnett and/or the Clearing Participant either by notifying the Client in writing or orally.

- 10.3 Client authorises the use of any securities held by the Client in CHESSE holdings sponsored by Ord Minnett to be lodged with or otherwise made available to ASX Clear as security for deposits or margins payable to ASX Clear in respect of the Client's Account by signing a Registered Holder Collateral Cover Authorisation Form.
- 10.4 The Client acknowledges and represents and warrants for the benefit of Ord Minnett that:
- (a) the Client is legally entitled and authorised to make available any cash or securities provided to Ord Minnett as security for the Client's obligations;
 - (b) the Client is legally entitled and authorised to make securities held at any time by the Client in CHESSE holdings sponsored by Ord Minnett or the Clearing Participant available to ASX Clear as security for deposits or margins payable to ASX Clear;
 - (c) any cash or security which is provided by the Client to either Ord Minnett, its related entities, Ord Minnett's Clearing Participant, or ASX Clear is, and will remain, free from any encumbrances, security interests or rights of others; and
 - (d) the Client will not be entitled to the return of any cash or security until, in the opinion of Ord Minnett, Ord Minnett has no further contingent or actual liability in connection with any Exchange Transaction entered into by Ord Minnett for the Client or contracts registered in the Client's Account.
- 10.5 The Client's liability to pay any amounts or deliver any securities in connection with any Exchange Transaction or Open Contract arises from the time of entry into the relevant Exchange Transaction and the Client's liability to pay to Ord Minnett's Clearing Participant any amount that it is liable to pay to ASX Clear or to deliver to ASX Clear any margin or deposit required by ASX Clear accrues at the time the requirement to pay comes into existence, regardless of when a call on the Client is made.
- 11. Payment and delivery**
- 11.1 The Client must pay any amount and deliver any securities the Client is liable to pay or deliver in connection with Exchange Transactions entered into for the Client's benefit or contracts registered in the Client's Account within 24 hours of entry into the Exchange Transaction including paying any premium and delivering any cash or security.
- 11.2 If Ord Minnett makes a call for payment or any security at any time under clause 10.2, the Client must pay the amount, or provide the security to Ord Minnett's Clearing Participant, within 24 hours of Ord Minnett making the call unless clause 11.1 requires the payment or delivery to be made earlier. If the 24 hour period expires on a non Trading Day, the Client must make payment or provide security by 10am the next Trading Day.
- 11.3 Notwithstanding clauses 11.1 and 11.2, Ord Minnett may notify the Client orally or in writing of a shorter period for payment or delivery.
- 11.4 Time is of the essence for obligations under this clause 11.
- 11.5 The Client irrevocably directs and authorises Ord Minnett to withdraw funds from any account held by Ord Minnett or its related entities and the Clearing Participant or their related entities for the Client's benefit in order to satisfy the Client's payment obligations under Part A of this agreement including, without limitation, to pay to ASX Clear any amount which Ord Minnett's Clearing Participant is liable to pay to ASX Clear in connection with dealings for the Client in ASX Derivative Products.
- 11.6 Ord Minnett may immediately and without notice set off any amount payable by it to the Client under this agreement or otherwise against any amounts owed by the Client to Ord Minnett under this agreement or otherwise.
- 11.7 If the Client fails to pay any amount due under this agreement to Ord Minnett by the time due for payment, Ord Minnett reserves the right to charge an administrative fee of up to \$50.00 and interest on the unpaid amount at a rate equal to the business loan reference lending rate of Westpac Bank published from time to time, from the time due for payment until the unpaid amount is paid in full. These amounts will be debited to the Client's Account with Ord Minnett.
- 11.8 The Client acknowledges that this agreement does not oblige Ord Minnett to lend any money, or otherwise extend credit, to the Client.
- 12. Amounts received by Ord Minnett's Clearing Participant on the client's account**
- Ord Minnett's Clearing Participant will account to the Client for any amount it receives from ASX Clear in connection with dealings for the Client in ASX Derivative Products. The Client acknowledges that the Client's monies and the monies of other clients of Ord Minnett may be combined and deposited by the Clearing Participant in a trust account or clients' segregated account. The Client acknowledges that all monies credited to the clients' segregated account maintained by the Clearing Participant may be used by Ord Minnett or the Clearing Participant to meet the default of any of Ord Minnett's clients.
- 13. Settlement on Exercise of Options**
- The Client must make such arrangements for transfer of securities or payment of amounts on exercise or assignment of Options held on the Client's account as Ord Minnett or the Clearing Participant reasonably require and notify to the Client. In particular, the Client must by close of business on the day on which the Client is notified of the exercise or assignment of an Open Contract in respect of the Client's Account, either:
- (a) notify Ord Minnett that the Client intends to complete the transaction arising from the exercise or assignment; or
 - (b) instruct Ord Minnett to take other steps to settle obligations arising from exercise, including entering into another Exchange Transaction or exercising any Open Contract.
- 14. Default**
- 14.1 The Client must notify Ord Minnett immediately that the Client becomes aware that:
- (a) there is any change in control or direct or indirect beneficial ownership of the Client;
 - (b) the Client disposes of the whole or part of the Client's assets, operations or business other than in the ordinary course of business;
 - (c) the Client ceases to carry on business;
 - (d) the Client ceases to be able to pay its debts as they become due;
 - (e) any step is taken by a mortgagee to take possession or dispose of the whole or part of the Client's assets, operations or business;
 - (f) any step is taken to enter into any arrangement between the Client and its creditors;
 - (g) any step is taken to appoint a receiver, a receiver and manager, a trustee in bankruptcy, a provisional liquidator, a liquidator, an administrator or other like person of the whole or part of the Client's assets, operations or business;
 - (h) where the Client is a partnership, any step is taken to dissolve that partnership or a partner dies;
 - (i) if there is a change in any of the authorisations provided pursuant to clause 2(b).

14.2 The Client appoints Ord Minnett, including its related entities, each of its officers, employees and agents (each an Attorney) to do anything which, in the opinion of the Attorney, would give effect to a right, power or remedy of Ord Minnett under this clause 14, on Ord Minnett's behalf and in the Client's name or the Attorney. The Client agrees to ratify anything done by an Attorney under this power of attorney.

14.3 An Attorney may delegate its powers (including the power to delegate) to any person for any period. The Attorney may revoke the delegation.

15. Termination of Agreement

15.1 Either the Client or Ord Minnett may terminate Part A of this agreement by giving notice in writing to the other. Termination will be effective when the other party receives that notice.

- (c) FinClear is released by the Client from any obligations arising on or after the Effective Date, and the Client will also be taken to have consented to and authorised:
- (d) the transfer to the new Participant of all the Client's open Derivatives Contracts as at the Effective Date so that they will be registered with ASX Clear in the new Participant's name;
- (e) the payment or transfer to the new Participant (or a Controlling Participant or nominee nominated by the new Participant) on the Effective Date of all money and other security (including all FinClear Cover) provided to FinClear under this agreement before the Effective Date to be held by the new Participant (or by the nominee or in a Holding in respect of which the new Participant (or another Controlling Participant nominated by the new Participant) is the Controlling Participant as the case may be) under clause 3 of this agreement as novated,

and, if the Client has executed before the Effective Date a Registered Holder Collateral Cover Authorisation under which the Client authorised a Controlling Participant to reserve (or withdraw) financial products registered in the Client's name in the ASX Clear Subposition as Collateral Cover for obligations in respect of Derivatives Contracts registered with ASX Clear in FinClear's name in a Client Account in respect of the Client, the Client is also taken to have appointed the new Participant and each director, secretary and officer of the new Participant for the time being as the Client's attorney to complete and execute a Registered Holder Collateral Cover Authorisation under which the Client authorises that Controlling Participant to reserve (or withdraw) financial products registered in the Client's name in the ASX Clear Subposition as Collateral Cover for obligations in respect of Derivatives Contracts registered with ASX Clear in the new Participant's name in a Client Account in respect of the Client.

The novation cannot take effect until the Client has received a notice from the new Participant confirming that the new Participant consents to acting as the Participant for the Client. The Effective Date may as a result be later than the date set out in the Participant Change Notice.

The Client will be taken to have consented to the events referred to above by the doing of any act which is consistent with the novation of this agreement to the new Participant (for example by giving an instruction to the new Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.

This agreement continues for the benefit of FinClear in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation not binding or effective on the Effective Date, then this agreement will continue for the benefit of FinClear until such time as the novation is effective, and the existing Participant will hold the benefit of this agreement on trust for the new Participant.

Nothing in this clause 6.1 will prevent the completion of Derivatives Transactions or Derivatives Contracts by FinClear where the obligation to complete those transactions or contracts arises before the Effective Date and this agreement will continue to apply to the completion of those contracts, notwithstanding the novation of this agreement to the new Participant under this clause 6.1.

6.2 Explanatory Booklet and other documents [ASX Clear Minimum Term 3]

The Client has received and read a copy of the current explanatory booklet published by ASX in respect of each ASX Derivative Product. This does not apply in relation to a Client that is a Wholesale Client.

Nothing in this agreement obliges FinClear to keep a recording longer than 90 days.

8. Allocation (Give Up)

8.1 FinClear must consent to any give up

The Client acknowledges that FinClear is obliged as principal and has the Clearing Obligations in respect of all transactions in relation to ASX Derivative Products which are executed by the Broker on behalf of the Client, unless, in relation to a specified Derivatives Contract (Allocated Trade):

- (e) that other Participant has entered into a Client Agreement with the Client which complies with the ASX Clear Rules.

8.2 FinClear ceases to have Clearing Obligations following give up

Either the Client or FinClear may terminate this agreement at any time by giving notice in writing to the other. Termination will be effective upon receipt of the notice by the other party.

10.2 Effect of termination [ASX Clear Minimum Term 12]

Termination does not affect the existing rights and obligations of the Client or FinClear at or prior to termination. Fixed Interest Securities Client Agreement

What are Fixed Interest Securities?

Fixed Interest Securities are Securities on which the holder receives a predetermined interest pattern which is referable to the value of the Security.

Fixed Interest Securities represent a diverse class of investments and can vary significantly in their risk profile.

For this reason it is important that you fully understand the characteristics of a particular Fixed Interest Security before you proceed to invest and that you have considered its suitability for your portfolio in light of your own investment needs and objectives.

Fixed Interest Securities include:

- Capital notes
- Convertible notes
- Corporate bonds
- Debentures
- Government and semi-government bonds
- Income securities
- Term deposits
- Fixed interest managed investment schemes

Types of Fixed Interest Securities

(a) Capital Notes

Capital notes are issued by companies to raise funds. Investments in capital notes constitute a loan to the company and in return the investor receives a fixed rate of interest. Capital Notes can be held to maturity or, if listed, sold on the Australian Securities Exchange (ASX).

Capital notes offer a steady income generally paid every 6 months at a level of risk commensurate with the security of the company and usually pay a higher rate of interest than government bonds. The risk level of a capital note depends on the credit rating and security of the company issuing the notes as well as the debt ranking of the capital note compared with other securities and loans.

(b) Convertible Notes

Convertible Notes are issued by companies. These are a “hybrid” investment with the characteristics of both fixed interest securities and shares. They offer a fixed rate of interest paid every 6 months until they convert to ordinary shares at a known date in the future or upon the occurrence of certain events, as well as the potential for some growth and dividend income offered by shares.

Convertible Notes are usually listed on the ASX. They are usually unsecured and rank lower than other types of company debt.

(c) Corporate Bonds

Corporate Bonds are issued by Companies and can provide for a wide range of returns, risk profiles and maturities. Bonds will pay either a fixed rate of interest or floating (a fixed margin referenced to a bank bill reference rate) until a specific date when the bonds mature and the initial investment is repaid.

The interest rates on Corporate Bonds are generally higher than those paid on government bonds. Some corporate bonds are listed on the ASX but most are available in the ‘secondary’ or ‘over-the-counter’ (OTC) fixed income market and investment amounts of \$500,000 or more are generally required.

The risk level of a corporate bond depends on the credit rating of the issuer company as well as the ranking of the bond debt compared to other securities or debt instruments the Company has issued.

(d) Debentures

Debentures are a loan to a company at a fixed rate of interest and for a fixed term, usually one to five years. For retail debentures, the issuer is required to appoint a trustee under a regulated trust deed. The trustee receives reports from the issuer and can force the terms of the debentures in the case of default. The debentures may also be secured by a charge held by the trustee over the Issuer.

Debentures are generally offered pursuant to a prospectus and in some cases must be held until maturity. However, some debentures are listed on the ASX and may be traded before maturity.

(e) Government and Semi-government Bonds

Government and semi-government bonds represent a loan by investors to an Australian Federal or State government authority.

These bonds generally pay a fixed rate of interest every 6 months until maturity when the face value of the bond is returned to the investor and are considered to be a low-risk investment if held to maturity. Bonds are traded in the OTC fixed income market.

(f) Income Securities

Income securities are issued by companies to raise funds in return for which the investor receives interest income. The interest rate is payable usually every three months at a margin above the 90-day bank bill rate. Income securities are typically listed on the ASX and can be traded.

Most income securities are issued in “perpetuity” and do not have a finite maturity date. As such they tend to pay a higher rate than corporate or government bonds.

(g) Fixed Interest Managed Investment Schemes

Fixed interest products may be offered to investors as units in a managed investment scheme. The risk and return of each scheme can vary widely depending on the investment mandate employed by the scheme’s manager.

Managed Investment Schemes are generally unlisted. However, some scheme managers offer buy back or redemption facilities and therefore liquidity can vary broadly from scheme to scheme.

General Risks of Fixed Income Ownership

An investment in Fixed Interest Securities may expose the investor to a number of risks. Some of these risks are detailed below:

(a) Default Risk

If an issuer is unable to repay interest or the face value of a bond at maturity, the issuer is said to default on its obligation. In these circumstances, it is likely that bond holders will receive less than the face value of their bonds. All bonds have varying levels of default risk, and the investor needs to make an assessment of this risk before investing. Investors should read the relevant offer document and seek advice before investing.

(b) Ratings Risk

Rating agencies (such as Standard and Poors, Moody's and Fitch) aim to assist investors to make an assessment of default risk. Whilst providing a qualitative assessment, rating agencies can and do change ratings and ratings methodology, and their assessment of risk can differ from what is priced in the market. They should be used as a guide only.

(c) Liquidity Risk

Some Fixed Interest Securities, such as bonds, trade only in the secondary or OTC markets and may be difficult to sell.

Also, secondary markets may not be available to all investors and in some circumstances it may not be possible to liquidate a particular Fixed Interest Security.

Conservative investors are recommended to treat such investments as 'buy to hold' investments (i.e. hold to maturity), and not to rely on the ability to sell in secondary markets.

(d) Price Volatility Risk

If investors are seeking to sell bonds in the secondary market, the price they receive can differ to the face value paid at maturity, and also between brokers who trade the security (as there is no on screen market exchange). Factors that can influence what an investor will receive for a bond in the secondary market include the following:

- (i) Credit Spreads: a credit spread is the extra yield an investor needs from a particular bond to compensate them for perceived default risk. Generally speaking, if the market deems that there is a higher risk of a company defaulting on its obligations, the required credit spread they need from the bond increases, and therefore the price they are willing to pay for your bond will fall (all else being equal).
- (ii) Changes in liquidity: Bonds that are easily sold in the secondary market are more attractive to investors. Less liquid bonds need to pay extra yield (liquidity premium) to attract new investors to that bond. If the perceived level of liquidity of the bond reduces, the price may fall (all else being equal).
- (iii) Interest Rate Risk: fixed rate bonds (bonds with a 'coupon' or interest rate that doesn't change) are additionally exposed to interest rate risk. If the overall level of interest rates in the economy increases, a bond will become less attractive than its peer group, and the price will need to fall to attract new investors to that bond (all else being equal).
- (iv) Maturity Considerations: the degree to which the above three factors affect the price generally increase the longer the maturity of the bond. Bonds with shorter maturities therefore have generally lower price volatility.

(e) Floating Rate Note Risk

Floating rate notes pay a known margin above the prevailing bank bill rate. As bank bill rates vary throughout the life of the note, investors do not know at the outset what their overall return will be. Investors looking for more certainty of yield outcome should consider fixed rate bonds.

(f) Unlisted Subordinated Debt Risk

Most Australian banks have issued subordinated debt to meet their prudential capital requirements. These securities generally have 10 year final maturities, but can be called (repaid by the bank) earlier (generally after 5 years).

Conservative investors should therefore consider these securities as long term investments. Being subordinated in nature, they also rank below senior secured and unsecured notes, so are riskier than senior debt.

(g) ASX Listed Subordinated Debt Risk

Also known as "hybrid" securities, the securities include listed subordinated debt and convertible notes. There are a number of risks specific to these securities, including:

- (i) Credit Risk: hybrids are generally not secured debt. In the event of a company default, investors in hybrid securities receive their money only in the event that all secured and senior creditors are paid first.
- (ii) Conversion Risk: most hybrid securities allow the issuer the right to repay principal at maturity by issuing stock rather than paying cash. There is a chance that the amount relinquished from the stock sale is less than the face value of the bond, and this is known as conversion risk.
- (iii) Dividend Payment Risk: most hybrids pay preferred dividends, however the issuer is often under no obligation to pay them and has the right to forego the payment of preferred dividends if they choose.

Please note the company can not pay ordinary dividends to equity shareholders until preferred dividends are paid.
- (iv) Tax Credit Considerations: some hybrids pay franked dividends as an income stream portion of their yield return. An investor should fully investigate the tax implications on their personal circumstances before investing, and seek professional tax advice.

1. About Ord Minnett Management

Ord Minnett Management is the responsible entity of the Fund. It is responsible for the investment management, operation and administration of the Fund including all investment decisions. As the Fund is legally organised as a unit trust, Ord Minnett Management is also the trustee of the Fund. The duties, rights and obligations of Ord Minnett Management are set out in the Fund's constitution and the Corporations Act.

We have been managing retail funds since 1982 and have approximately \$450 million of funds under management as at 1 April 2012.

We are a wholly owned subsidiary of Ord Minnett Holdings Pty Limited (Ord Minnett). Ord Minnett is one of Australia's leading wealth advisory and stockbroking firms, catering to private clients, corporations and institutions.

2. How the Fund works

The Fund is a registered managed investment scheme, organised as a unit trust. When you contribute money to a registered managed investment scheme, your money is pooled together with other investors' money and you are issued with units. The units are a measure of your beneficial interest in the Fund and the Fund assets as a whole. We may issue units in different classes.

We invest the pooled money and manage the assets of the Fund on behalf of all scheme members (**unit holders**). We hold the assets in our own name (on behalf of unit holders) but may appoint a custodian to do this.

The Fund is governed by a constitution (**Constitution**). Together with the Corporations Act, the Constitution sets out the rules and procedures under which the Fund operates and our rights, responsibilities and duties as responsible entity, as well as those of investors. A copy of the Constitution can be inspected or provided free of charge upon request.

Applications and withdrawals

The application and withdrawal price is fixed at \$1 per Unit. With a typical share or fixed interest fund, the unit price varies as the market price of the relevant fund's assets rises or falls. The unit price for the Fund does not vary given the nature of the Fund's investments and the terms of its Constitution.

The minimum investment, withdrawal and account balance amounts are set out below.

Initial investment	\$100 minimum
Additional investment	\$100 minimum
Withdrawal	\$10 minimum
Account Balance	\$100 minimum

We may accept lesser amounts at our discretion.

Subject to the minimum requirements in the table above, you can increase your investment at any time by buying more units and decrease your investment by withdrawing or transferring some of your units.

Application requests must be received before 3pm Sydney Time on a Business Day for the application to be processed and begin to

earn income from that day. For withdrawals the relevant cut off time is 11am Sydney Time on a Business Day.

If we receive your withdrawal request by 11.00am Sydney time on a Business Day, it will be processed on that day. If we receive it after this time, your withdrawal request will be processed on the following Business Day. In this PDS "Business Day" means a day on which banks are commonly open for business in Sydney, excluding a Saturday, a Sunday or a public holiday.

You should read the important information about applications, withdrawals and transfers in the Ord Minnett Funds Additional Information Guide before making a decision. Go to section 2 of that guide available from <http://www.ords.com.au/document-repository>. That material may change between the time you read this PDS and the day when you acquire the units.

Income distributions

Net income of the Fund is calculated on a daily basis by adding together all interest and other income on investments plus net realised capital gains (if any) and subtracting Fund fees and expenses (see section 6). The net income is then paid to you on a quarterly basis. Income distributions are typically paid on the first Business Day following the end of the distribution period. However under the Constitution we may take longer to pay distributions. The distribution period normally ends on 31 March, 30 June, 30 September and 31 December each year, although we may change this from time to time.

The amount of income will vary from period to period. Distributions are calculated on a per unit basis. For example, if total net income is \$5 and there are 100 units on issue, then income per unit will be \$0.05. Please note this is an example provided for illustrative purposes and it is not a forecast or projection. Please contact us for information about the Fund's income returns.

You can choose to have your distributions of income:

- reinvested into your CMT account; or
- paid by electronic credit to your nominated Australian bank, building society, other Ord Minnett CMT, or credit union account.

If you don't make a choice, we will automatically reinvest your distribution into your Cash Management Trust account. In the event of the death of an investor, the investor or their representative will be deemed to have directed the reinvestment of distributions even if the investor had previously requested, or the investor's representative requests, the distributions to be credited to a bank account. You may change your choice for distribution payments by notifying us in writing at least 5 Business Days before the end of the distribution period, and this will apply to all subsequent distributions.

3. Benefits of investing in the Fund

The Fund makes investments in accordance with its investment strategy with the objective of delivering a competitive level of regular income.

Benefits of investing in the Fund include easy access to funds, capital stability and liquidity while enjoying higher returns than most traditional 'at call' bank accounts, access to a portfolio of bank deposits and interest bearing securities selected by a professional investment manager, regular reporting and online access to account information and access to assistance provided by our Client Services Team.

As a disclosing entity under the Corporations Act, the Fund is subject to certain regular reporting and disclosure obligations. Copies of documents lodged with the Australian Securities and Investments Commission (ASIC) may be obtained from, or inspected at, an ASIC office. You may obtain a copy of the following documents from us: the annual financial report most recently lodged with ASIC by the Fund, any half year financial report lodged with ASIC by the Fund after the lodgement of that annual financial report and before the date of the

PDS; and any continuous disclosure notices given by the Fund after the lodgement of that annual report and before the date of the PDS.

You should read the important information about other benefits of investing in the Ord Minnett Funds Additional Information Guide before making a decision. Go to section 3 of that guide available from <http://www.ords.com.au/document-repository>. That material may change between the time you read this PDS and the day when you acquire the units.

4. Risks of managed investment schemes

(a) Investing generally and investing through a managed fund

All investments carry risk. Different investment strategies carry different levels of risk, depending on the assets that make up the strategy. Assets with the highest long-term returns may also carry the highest level of short-term risk.

The value of investments and the level of returns will vary (that is, go up or down). Future returns may differ from past returns. Returns are not guaranteed, and you may lose some of your money. The level of risk for each person will vary depending on a range of factors, including age, investment time frames, where other parts of the investor's wealth are invested, and the investor's risk tolerance. Additionally, laws affecting registered managed investment schemes may change in the future.

(b) Summary of significant risks of investing in the Fund

There is no guarantee that the value of your initial investment will be maintained. In other words, the value of your investment may rise or fall. Significant investment risks include:

Market risk – Economic, technological, political, or regulatory factors and market sentiment can change and may affect the value of investment markets and the Fund's investments. We regularly monitor market risk.

Asset specific risk – Individual Fund investments may perform poorly as a result of market factors or factors specific to the investment or its issuer. We aim to minimise this risk through diversification across assets that meet the investment parameters for the Fund.

Liquidity risk – This is the risk that an investment cannot be sold quickly enough to prevent or minimise a loss. Break costs are sometimes incurred when investments are terminated or withdrawn prior to their maturity. A lack of liquidity may also affect the amount of time it takes us to satisfy withdrawal requests. We aim to minimise this risk by actively monitoring the cash levels of the Fund and the markets in which it invests.

Credit or counterparty risk – The issuer of fixed interest or debt securities may fail to pay interest and principal in a timely manner or at all, or negative perceptions of the issuer's ability to make such payments may cause the price, and therefore value, of those securities to decline. We aim to minimise this risk by carefully selecting Fund counterparties.

Outsourcing risk – The payment facilities provided by us in connection with the Fund may involve us entering into support arrangements with outsourced service providers. Such a provider may default in its obligations and cause loss to you, us, or the Fund. We manage this risk by only entering into such arrangements with reputable counterparties, and by regularly monitoring the performance of their obligations.

Interest rate risk – the secondary market price of interest style securities can differ to the initial purchase price, and may be lower than the original and accrued investment value, particularly in a rising interest rate environment.

Manager risk – Investment returns depend on our ability to manage the portfolio of Fund assets successfully. There is a risk the selected investments will not perform to the Fund's investment objective.

5. How we invest your money

Warning – in deciding whether to invest in the Fund, you should consider the likely investment return, the risk and your investment timeframe. The Fund does not offer a choice of investment options. As a result, you are not able to switch between options.

Ord Minnett Cash Management Trust	The Fund invests in cash and cash like investments and may be suitable for investors who want easy access to their money, capital stability and liquidity, whilst enjoying potentially higher returns than most traditional at call bank accounts.
Investment return objective	The investment return objective for the Fund is to deliver a competitive level of regular income.
Asset classes and strategic allocation	<p>The Fund will be fully invested in cash and cash like investments, which include bank deposits, bank issued and bank endorsed securities, qualifying corporate securities and government issued and government guaranteed securities.</p> <p>The Fund does not propose to enter into any long term borrowing arrangements. However, short term borrowing may occur in relation to the daily management of liquidity. The Responsible Entity may not borrow a total amount that at any one time exceeds 10% of the total value of all investments and cash comprising the Fund.</p>
Minimum suggested investment timeframe	Short term.
Summary risk level	Low. Risk is relatively low when compared to an investment in asset classes such as shares, property and longer dated fixed interest securities. However, it is possible that the returns on your investment may be less than the rate of inflation.

We may from time to time vary the investment objective and/or asset classes and strategic allocation. We will notify you of any such changes. We do not take into account labour standards, environmental, social or ethical considerations when selecting, retaining or realising investments in the Fund.

6. Fees and costs

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your fund balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000). You should consider whether features, such as superior investment performance or the provision of better member services, justify higher fees and costs. You may be able to negotiate to pay lower contribution fees and management costs where applicable. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website <http://www.fido.asic.gov.au> has a managed investment fee calculator to help you check out different fee options.

Fees and costs of the Fund

The following table shows the fees and costs you may be charged for investing in the Fund. This information can be used to compare costs between different simple managed investment schemes. The fees and costs may be deducted from your account balance or deducted from the returns on your investment.

Type of fee or cost	Amount
Fees when your money moves in or out of the Fund	
Establishment fee	Nil
Contribution fee	Nil
Withdrawal fee	Nil
Termination fee	Nil
Management costs	
The fees and costs for managing your investment	1.03% p.a. of the value of the Fund

The management costs for the Fund incorporate goods and services tax (**GST**) after taking into account any expected reduced input tax credits. All fees can change without the investor's consent, subject to the maximum fee amounts specified in the Constitution. At least 30 days prior notice will be given to unit holders before any fee increase or the introduction of a new fee takes effect.

Warning: additional fees may be payable to a financial advisor if one is consulted. Please check the relevant statement of advice for details of these fees.

ASIC provides a calculator on its MoneySmart website which can be used to calculate the effect of fees and costs on your investment and your returns.

Example of annual fees and costs

The following table provides an example of how the fees and costs for the Fund can affect your investment over a one year period. You should use this table to compare this Fund with other simple managed investment schemes.

EXAMPLE

The Fund		Balance of \$50,000 with a contribution of \$5,000 during year
Contribution fees	Nil	For every \$5,000 you put in, you will be charged \$0.
PLUS management costs	1.03% p.a.	And, for every \$50,000 you have in the Fund you will be charged \$515 each year.

EQUALS cost of Fund	If you had an investment of \$50,000 at the beginning of the year and you put in \$5,000 during that year you will be charged fees of \$515. What it costs you will depend on the fees you negotiate with us. [^]
---------------------	--

*** Additional fees may apply. Establishment fee – \$Nil,**

And, if you leave the Fund early, you may also be charged withdrawal fees of \$Nil.

[^] Please note that this example is very simplistic. For illustrative purposes, the above example assumes that management costs were calculated on a balance of \$50,000, invested for a full year. It does not take into account any management costs that would be charged on the additional \$5,000 contributed during the year. For example, if the additional \$5,000 contribution was invested for only 6 months, then you would be charged approximately \$609 for the year.

You should read the important information about fees and costs in the Ord Minnett Funds Additional Information Guide before making a decision. Go to section 4 of that guide available from <http://www.ords.com.au/document-repository>. That material may change between the time you read this PDS and the day when you acquire the units.

7. How managed investment schemes are taxed

Warning: Investing in a registered managed investment scheme is likely to have tax consequences. You are strongly advised to seek professional tax advice.

Registered managed investment schemes do not pay tax on behalf of investors. Investors will be assessed for tax on their share of the net taxable income of the Fund (both income and capital gains) in the financial year to which their entitlement relates, regardless of whether the income is reinvested in additional units.

You should read the important information about taxation in the Ord Minnett Funds Additional Information Guide before making a decision. Go to section 5 of that guide available from <http://www.ords.com.au/document-repository>. That material may change between the time you read this PDS and the day when you acquire the units.

8. How to apply

To invest in the Fund you should:

1. Read this PDS, including the important incorporated information in the Ord Minnett Funds Additional Information Guide.
2. Complete all sections of the application form that accompanies the Additional Information Guide **(Application Form)** and read and sign the declaration in the If we contract a third If we contract a third If we contract a third Application Form.

Your original Application Form, supporting identification, additional documentation as required, and cheque must be posted to Ord Minnett Management Ltd, GPO Box 2613, Sydney NSW 2001. Alternative payments methods are described in the Application Form.

Cooling Off

A 14 day cooling-off period applies during which you may change your mind about your application for units and request the return of your money in writing. Generally, the cooling-off period runs for 14 days from the earlier of the time your application is confirmed, or the end of the fifth Business Day after your units are issued. Cooling-off rights will not apply to additional applications, reinvested distributions or where an investment is made through a master fund or wrap account. The amount refunded to you may be less than your investment amount due to adjustments for any expenses, applicable taxes or transaction costs incurred between the date of the application and the date of withdrawal.
